

A NEW COACH ON THE JOB!

Wedding bells will ring out in Fort Worth, December 19th, for one Head Coach D. X. Bible and Miss Rowena Rhodes of Bryan, well known to hundreds of old A. and M. men.

The wedding ceremony will be conducted by Dr. George W. Truett, pastor of the First Baptist church of Dallas. The wedding will occur at the home of Mr. and Mrs. Emmett Cole, formerly of Bryan, now living in Fort Worth.

Following the ceremony The Bible and His New Testament will go to Tennessee for a brief visit with D. X.'s family.

The announcement of the wedding did not come to the College people as a distinct surprise, as D. X. has been "sparking" Rowena for about three years. Everyone was just hoping that there would be some success attending Bible's efforts.

It is believed that D. X.'s motto, "Work will win when wishing wont", had its inception in his own campaign. Here's hoping that "There Shall Be No Regrets".

Mr. and Mrs. Bible will be at home at College Station after January 1st.

"Y" NOTES

Extension Workers Entertained by "Y".

Several groups of county agents have been entertained by the Y. M. C. A. thru music and picture shows. The Association expands every effort to make the visitors as comfortable and their visit as enjoyable as possible. The fourth conference is being held this week at the College.

Christmas Entertainment.

The Y. M. C. A. is making plans to furnish entertainment for those who will remain on the campus during the holidays. Those who are going home and would like to send the boys who stay at college boxes of "eats" are invited to send them to the "Y", and they will be distributed from there.

Elaborate plans are being made to make the lobby as attractive as possible, and every measure will be taken to spread the real spirit of Christmas on the campus. It is hoped that everyone will take advantage of the Y during the holidays and make it your headquarters.

Over three hundred dollars was paid out by the Y at the last monthly payment to students working for the Association thru its many channels of student labor. The labor bureau has proven a great value to the students and it is hoped that even more service can be rendered in this way.

A number of last years Handbooks have been distributed thru the Y to students desiring them. Owing to the financial condition of the Association, the books were not published this year.

C. I. A. GIRLS AND A. & M. MEN TO MEET IN DALLAS

On Saturday afternoon of December 22 the A. and M. Dallas Club will meet the C. I. A. Dallas Club at the home of Mrs. Bartholomew at Dallas for an afternoon of dancing, games and general fellowship. This is a step in the direction of a real brother and sister relationship between the two schools.
