

## BAPTISTS ARE TO BUILD PARSONAGE

**Executive Board Does Not Act On Plea for Appropriation But Individual Donations Made.**

The local Baptist committee which went to Dallas the past week did not succeed in inducing the executive board of the Baptist convention to make an appropriation for erecting a church and parsonage here, but they aroused a sentiment in favor of the task which resulted in cash donations from individual members to the amount of \$700.00 and caused the board to place the matter on the calendar for reconsideration next February. And for these results Rev. R. L. Brown felt very thankful and hopeful for the future.

"This will mean that steps will be taken at once to secure a lot and erect a pastor's home, and bring the pastor into better position to serve the community," Reverend Brown said. "The Board will then take definite steps to finance the building of a church at its next meeting on February 8, 1924.

"The local interest in the matter was represented at Dallas by the trip made to Dallas by President W. B. Bizzell, Professor J. F. McDonald, and B.Y.P.U. President Ben Whitehouse. They urged before the board the need of a local plant to take care of the Baptist program at the College."

The Bryan interest was represented by Reverend John A. Held, pastor of the First Baptist church. As chairman of the committee on the Baptist work at A. & M. Dr. Held read a report emphasizing the work and the needs of the denomination at A. & M. This report was turned over to a committee which had been appointed to look into the needs of all the churches adjacent to all state institutions. Not satisfied with this procedure Reverend Brown had an interview with the committee, which informed him that it would be a year before any definite steps could be taken.

"In the face of this fact it seemed that something else should be done," Reverend Brown stated. "Therefore, in the last few minutes of the meeting another report was presented by Dr. Held. Dr. George W. Truett was heard and I was also given another hearing on the imperative needs of the cause. At the end of my appeal Clifton Caldwell of Abilene handed me a check for \$500.00 and thus immediately pledged their support. Following his example J. M. Carroll of San Antonio and A. A. Duncan of Greenville pledged \$100 each for the work. At this point the donations were interrupted and the matter carried over as unfinished business to await consideration at the next meeting in February."

### A PAST PARTICIPLE.

You see a beautiful girl walking down the street. She is singular, you are nominative, you walk across to her, changing to verbal, and then it becomes dative if she is not objective. You become plural and walk home together. Her mother is accusative, and you become imperative. You talk of the future, she changes to objective. You kiss her and she becomes masculine, her father becomes present, things become tense, and you become a past participle.

## ACTIVITIES OF THE COSMOPOLITAN CLUB

On Friday the 23rd the Cosmopolitan Club held its first social meeting of the scholastic year.

The guests started to come at 7:30 p. m. and although there were other meetings on the same night, the President of the College, heads of different departments, members of the faculty, and their wives attended this meeting.

After short talks by Dr. Bizzell, Dr. Youngblood, and Dr. Humbert, musical selections were rendered by Mr. Mayo and Dr. Summy, Jr. Immediately after, Mr. F. R. Daboo gave a very interesting talk on his native country, India.

Following Mr. Daboo's talk, Mr. C. C. Hsu, of China, attired in a Chinese costume, gave a detailed description of the Chinese life and customs. In compliance to a request, he spoke and sang in his native language. After Mr. Hsu's interesting address, refreshments were served by the members of the Club. The reception ended near to eleven o'clock.

The Club has an elaborate program for the present year. In the social meetings, which will be held once a month, members of the Club will discuss topics concerned with their native lands, and will render musical selections. Due to the varied representation of countries, it is hoped that the future meetings will be as interesting as the first one.

The Club announces its meetings through the columns of the Daily Bulletin. It wishes to inform all those who are interested in the activities of the Club that their assistance to the meeting will be heartily welcomed.

The officers of the Club are: President, E. Chapa, Mexico; Vice-President, A. Malatesta, Peru; Secretary-Treasurer, C. C. Hsu, China. The members are: T. F. Mayo, L. G. Jones, B. Sugareff, and C. H. Querseau, of the United States; F. Gomez, R. Herrera, H. Gonzalez, H. N. Gonzalez, D. Flores, I. Flores, L. Ramirez and M. Valencia of Mexico; F. R. Daboo and V. N. Lokras of India; G. DeAsis of Philippine Islands; F. Valente of San Salvador; F. Icaza of Panama; and F. Fattah of Mesopotamia.

### HOOKS CANDIDATE FOR FIRST SERGEANT

College Station, Tex., Dec. 6. 1923. Editor of Evening Mirror, Hillsboro, Texas.

Dear Editor: We feel that it is our duty, as the classmates of Wallace M. Hooks, to let the people of Hillsboro know that one of their sons is in the race for "First Sergeant" of Co. H, Infantry, for next year. We feel that this responsible position can be held capably by Wallace as he is, perhaps, the most military sophomore at A. & M. this year. This was shown last year by his winning the "Best Drilled" medal in Co. H.

Hoping for his success next year we remain,

H. CO. SOPHOMORES.

### THE RELIGIOUS ACTIVITIES OF CHURCHES ARE GROWING.

This year has seen the most successful activity by the churches at A. and M. College. The Methodists are occupying the Tabernacle building last summer and are feeling more like a real church for being in their own building. There is some debt yet on the Tabernacle but it is hoped

W. F. DAVIS, AGENT

that the seven hundred Methodist men in A. and M. College will be able to raise that amount from their home churches during the holiday season.

The Presbyterian church under the wise leadership of Rev. Campbell Butler is making rapid strides. Their organization in membership and finances is in growing condition. Mr. Boyett, who owns the land just north of the campus has agreed to sell the Presbyterians a splendid

church building site.

Thus with the bright Baptist prospects for immediate action lead us to believe that the next year will see the growth of two more church buildings to house prosperous organizations.

Are you concerned that this shall be done? If so, help!!!
