### CAMPUS CHEWING SOCIETY HOLDS REGULAR MEETING

The Campus Chewing Society held its regular weekly meeting on the back steps of Leggett Hall last night, and after the minutes of the last meeting were read by Herman Haslbauer, new business was brought before the society.

After a brief discussion of a few minor details which had been left over the last meeting, the speaker of the evening, Mr. Thickorthin Tinsley of tobacco fame, was introduced. Mr. Tinsley was very anxious that the Society endorse Tinsleys Chew'n Tobacco, but Sam Pinson, who at the time had a half plug of Primium in his mouth, was much apposed to it. The matter was argued for some time and it was finally decided to carry the matter over to the next meeting.

The meeting closed with the awarding of the weekly prize to Sam Pinson for spitting on a fly on the steps of Austin Hall. Sam said he appreciated the fur-lined spittoon very much, and extended an invitation to all his friends to come around and use it.

The Pastor: So God has sent you two more little brothers, Dolly?

Dolly (brightly): Yes, and He knows where the money's coming from too. I heard daddy say so.—Tid-Bits.

Skeeter: Gimme a penny's worth of mixed candies.

Casey: Here are two pieces my lad. You can mix them yourself.

"My boy's letters from college always send me to the dictionary,"

"You're lucky. My boy's always send me to the bank."—Awgawan.

She: They say Jones puts every cent he earns on his wife's back.

He: Busines must be rotten.

### CHURCH COLUMN.

(Edited by D. C. Butler.)

The Baptist and Presbyterian groups on the Campus are looking forward to the time when they will own lots adjacent to the Campus on the north where they can erect churches and manses. This will be a great forward step for both groups.

The Presbyterians are to have Rev. Lawrence H. Wharton, pastor of the University Presbyterian church at Austin, Texas, on the Campus to speak to them January 16th-20th. Mr. Wharton is the son of Dr. T. C. Wharton of Sherman, Texas. He is a graduate of Austin College (1911) and of Austin Theological Seminary (1914). He was formerly pastor of the First Presbyterian church at Laredo, Texas, and his work with the men of his congregation was particularly successful. During the war he had charge of a Y. M. C. A. hut in France and prominent officials of the Y. M. C. A. spoke of his hut as being one of the best managed in France. He is now pastor of the University Presbyterian church in Austin and is looking after the 600 Presbyterian students there. Mr. Wharton is especially fine as a Bible teacher and as a speaker to young men. He is one of the most successful young Presbyterian pastors in Texas and the Presbyterian group here at A. and M. is very fortunate in being able to secure him. He has recently been called upon to speak to the students at Daniel Baker College and at Austin College.

The denominations working on the Campus will unite in a Union Revival meeting February 11th-17th under the leadership of Rev. Arthur Moore of San Antonio. The services will be held in the Methodist Tabernacle from 6:30 to 7:30 on those nights. Everyone will have an opportunity to hear Dr. Moore in Chapel February 3rd.

### JUNIOR STOCK JUDGERS BEEN WORKING OUT

The Junior Stock Judgers have been hard at work for the past week judging various classes of live-stock. From this group of men will be picked the Junior Team which will enter the contest at Fort Worth in March. The International Team which will go to Chicago next year will also be selected from these men. To make either of these teams is an honor coveted by all Animal Husbandry students.

This years Junior team is coached by "Runt" Stangel and his ability is well known. He says it is the best bunch of Juniors he has had in years and he is building up a team which should win the bronze bull next year. They are working-out every evening from four until six o'clock and no doubt they will carry off honors when the team is sent to Fort Worth.
