**Y. M. C. A. PLANS NEW SYSTEM OF ENTERTAINMENT**

For the past several years various entertainments have been brought to the college under the auspices of the Y. M. C. A.

The plays, concerts, and lectures, which constitute the programs have an important part in keeping the morale of the college students up to standard.

This year instead of the regular Lyceum course several outstanding entertainments are to be brought to the college. Nothing definite has yet

been decided upon, according to Rev. W. H. Matthews. Suggestions from campus people and cadets as to the kinds of entertainment desired will be gladly received by Rev. Matthews.

R. P. Ward, J. H. Miles, H. S. Smith and R. G. Eargle, of the A. and M. College of Texas, Class of '24, are engaged in the Students Training Course of the General Electric Company at Schenectady, N. Y.

Fish: "Well, he has that stamped on all his towels."
