FARMERS TAME TRINITY TIGERS

THE DOPE BUCKET

Texas Aggies vs. Southwestern Pirates, on Kyle Field, October 3.

Results of the football games played last Friday and Saturday:
Oklahoma A. and M. 6; Southwestern State Teachers College, 0.
S. M. U., 7; Denton Normal, 3.
Baylor, 10; Simmons College 6.
Texas U., 27; Southwestern, 0.
T. C. U., 45; East Texas Teachers College, 0.

Doc Stewart saw the game here week before last with John Tarleton and made the following statement to the press: "The Aggies have a better line than last year; especially one side of it. The backfield is 50 per cent stronger and they have a splendid quarterback this season." Amen, "Doleful Doc!" But you haven't quite got it right. The percentage in the line is greater; we have two splendid quarterbacks instead of one; and you failed to mention the rest of the backfield.

The efforts of Coach Rothgeb can be plainly seen in the line. From the showing they made in the last game, it looks as if he is going to duplicate his performance of 1921; the year the Aggies were Champions of the South. (Continued on Page 9)

AGGIE RESERVES DEFEAT MARLIN HI BULLDOGS, 7 TO 6

The A. and M. Reserves opened their 1924 season by defeating the Marlin High School Bulldogs last Friday at Marlin, by the close score of 7 to 6. The Farmers' touchdown came in the fourth quarter after the Aggies had made two end runs which netted them 25 yards. Franklin then crashed across the line and Edgar kicked goal.

The Bulldogs made their touchdown in the last six minutes of play when Burr Russell ran eighty yards for a touchdown.

Webb Townsend, product of last year's Inter-Battalion League was the outstanding star of the game while Pyland and Curry did brilliant work in the line. Edgar played a consistent game at fullback for the Reserves, getting his punts off nicely.

The lineup for the Reserves was as follows

Pistole, right end; Pyland, right tackle; Lanham, right guard; Lackie, center; Curry, left guard; Vance left tackle; Townsend, left end; Smith, quarter; Garry, right half; Quayle, left half, Edgar, fullback.

Substitutes: Bryant for Pistole; Franklin for Quayle; Lyons for Lackie; Grun for Garry.

PROGRAM OF THE DEPT. OF PHYSICAL EDUCATION

By H. H. House.

The Department of Physical Education has been created for the purpose of expanding the physical training work. Beginning with this year two lecture courses in Physical Education are being given. These courses carry college credit and are given for the purpose of preparing men who expect to coach athletics or give physical training work in the public schools. These courses consist of both lecture and practice work.

The enrollment in these courses is small but this is due to the fact that only juniors and seniors are eligible for the work, and also, because many who would like to take the work are unable to arrange their schedules to include it.

The Intramural Program will be enlarged to include many new physical activities, such as, baseball, handball, cage ball, volleyball, track tennis, etc. All of this, however, cannot begin at once because the Gymnasium will not be completed before January 1st. and then too, there must be considerable organization effected before the work can be started satisfactorily. The student body is (Continued on Page 9)

Bible's Men Flash Brilliant Offense in Second Half of the Game.

The Aggies added another scalp to their belt Friday afternoon in the form of 33 to 0 win over the much touted Trinity Tigers. A one touchdown victory had been conceded with the Tigers having an outside chance of winning. But somehow, the old dope bucket was given the usual upset and the Tigers goal-line had been crossed five times and a safety added for good measure.

It seemed as though Capt. Miller & Co. had decided to put the game on ice at the very beginning. Taking the ball on the fifty-yard line, they started a march of 3 successive first downs but were halted on the one yard line and the ball went over on downs. However, when Morrison, of the Visitors, attempted a punt from behind his own goal line, Allison broke through and blocked it for a safety.

Again in the second quarter, a touchdown was prevented by an untimely fumble on the ten yard line.

The 2nd. half wasn't three minutes old before "Mule" had added another touchdown to his string, circling left end for 20 yards. Then business began to pick up. The line was opening up holes wide enough to drive that old proverbial wagon through. Twice did the Aggie fans have the pleasure of seeing little Bob Berry step through the Tigers secondary

SOUTHWESTERN CONFERENCE FOOTBALL SCHEDULE—1924

DATE	S. M. U.	TEXAS	RICE	T. C. U.	BAYLOR	TEXAS A. & M.
