AGGIELAND TO PLAY  
IN DALLAS OCTOBER 11

Lake Cliff Pavilion is the place, October 11 is the date and nine o'clock is the time, so all of you that are going to Dallas listen to this. Spec Egan '23 is making elaborate plans for you. He has all of the arrangements made, even to the signing of the contract with Aggieland. And you know, that with Aggieland playing and an A. and M. man sponsoring the dance (and a dance is what I am trying to tell you about) is due to be a good one. Porbably you "old boys" remember that Spec was elected the best dancer in his class, when he was here. So knowing something of the art himself his plans were not made from a commercial standpoint alone.

Now get busy and beg, borrow, or acquire the ways and means of attending that game and give that team all you have. Then after it is all over, journey out to the LAKE CLIFF PAVILION and make your trip a complete success.

The dance will not be restricted to A. and M. men alone, but it is primarily for you and it will be the only A. and M. dance in Dallas that night. So get right and make that game and don't miss the dance for Spec is counting on you.

"Chin" Anderson and "Cow" Turney stood it as long as they could, but last Saturday was the limit, so the Smithville Band greeted them that afternoon. Too bad Chin's girl was out of town. We wonder if she heard that he was coming.

\*\*\*

Arthur Huff and "Soupy" Woods made an extensive trip last week-end. Calvert and Cameron were both honored.

\*\*\*

Barney Dodd was "out amongst them" last week. We don't know just what night, but we think that he went riding in one of those "Full" Moons.

\*\*\*

A. A. Ward, Milo Abercrombie, and Tom Stancliff were in Houston last Saturday and Sunday. Milo was the only one we could get a report on and it is said that he and an old school-mate had a "Large" time.

\*\*\*

Ask Barney Dodd about the letter that was signed "From Just Me."

We have been worried. Dr. Jaggie was hard to locate most every night last week. We were quite a bit eased to discover that he has been learning to drive a Paige. Could not say as to the number of hands he needs to hold the wheel.

SAY BO, DIDJA!

Say bo?  
Didja enter A. and M.  
Well versed in  
The Science of  
MILITARY TACTICS  
Which you learned  
As a member of the  
BOY SCOUTS and the  
SALVATION ARMY?  
Did you aspire to  
Reach those nearly  
INACCESSABLE MILITARY  
HEIGHTS?  
All during your "fish" year,  
Did you UNTIRINGLY TOIL?  
A sophomore you came to be,  
And did you only miss  
A CORPORALSHIP  
By the minor fact  
That you were only  
FORTY HOURS BEHIND.  
As a sophomore,  
Did you MANFULLY STRIVE  
To do your MILITARY DUTY?  
Were you a bit downcast  
When you found  
That in your THIRD YEAR  
You were still  
TWENTY-NINE HOURS BEHIND?  
But did you to yourself say,  
"WHERE THERE'S A WILL  
THERE MUST BE A WAY."  
Did you apply for a room  
With a LIEUTENANT COLONEL?  
Did you SHINE YOUR SHOES  
AND STAY REGULATION  
THROUGHOUT THE DAYS?  
Had you all but given up  
YOUR LIFE'S AMBITION,  
And resigned yourself  
To a dejected position  
Of the UNWEPT, UNHONORED,  
AND UNSUNG?  
Did you stare hard,  
And wipe your FEVERISH BROW?  
Did your CHEST SWELL,  
And did your EYES SHINE,  
As you perceived  
YOUR NOBLE NAME  
Linged with your  
SOUL'S DESIRE?  
"A CORPORALSHIP"  
In the U. S. R. O. AND T. C.  
Did you quickly  
Take from your trunk  
A pair of BEAUTIFUL CHEV-  
RONS?  
Well preserved, although  
FOUR YEARS OLD.  
Did you march WITH CADENCE  
Up and down the military walk,  
That ALL might see you  
As YOU ranked with  
WASHINGTON AND NAPOLEON,  
"THE LITTLE CORPORAL OF  
FRANCE."  
Say bo, didja?  
CHARLES "MILO" ABERCROMBIE  
DID.

WE UNDERSTAND THAT E. O. BUCK AND PEGLEG PUTNAM ARE NEXT IN LINE FOR CORPORAL.

"FEET OF CLAY"

"Make 'em timely!" say the fans.

"How's this?" says Paramount in offering "Feet of Clay" to exhibitors. As modern as rolled stockings, as thrill-packed as they come.

"Feet of Clay" is typically DeMille, and you know what that means—luxury, gorgeousness, linked with a logical, dramatic, pictorial story.

A picture with a "smash" climax, the like of which has never been seen before—a scene you'll talk about just as everyone did of the opening of the Red Sea in "The Ten Commandmtns." Here's a real picture. Take a tip and see it.

AGGIE TRACK  
MEN WORKING

Cross Country Team Getting Into Fine Shape for the Season.

Members of the Aggie track team have already begun to train for the coming track season. Most of the emphasis of the work however is being placed on the cross country team, which is to take part in the Southwest Conference cross country run on November 22. The team will also make a trip to Austin for a dual meet before the conference meet.

Captain Gillespie, Royal, Bowen, and Barnard are the chief members of last year's squad who are back for the run. They are showing up well in the first two weeks of practice. The training work began on September 17, the opening day of school. Several track men who ran middle distances in the track season last year are trying for places on the team. They are Captain Weddell of the track team, Killain, Alison, Chilcoat, Johnson and Blair.

Brock and Macy, two star men of the Fish team of last year, are ineligible for contests because of back work in studies which has not been made up. Blackman, Hembrie and Crump, three men developed in intramural running last year, are showing up well.

Those who are out for the team are Allison, Barnard, Blackman, Bowen, Blair, Brock, Crump, Gillespie, Johnson, Killian, Macy, Chilcoat, Royal, and Weddell.
