

THE GRID-GRAPH SCORE BOARD PORTRAYS GAME

(Continued from Page 9)

enables the matching of the conference teams as to strength and the final outcome in the conference games.

The Grid-Graph machine and the Electric Score Board are now owned by G. C. Wolfe, but it is reported that the tentative plan as present is for the Athletic Department to take it over next year for the benefit of the intra-mural athletic funds.

Below is shown the schedule of games to be reproduced on the Electric Score Board during the remaining season:

October 18, Texas-S. M. U. game, Assembly Hall.

October 25, A. and M.-S. M. U. game, Assembly Hall.

November 1, A. and M.-Baylor game, Bryan.

November 8, Texas-Baylor game, Assembly Hall.

November 15, S. M. U.-Baylor game, Assembly Hall.

November 22, Army-Navy game, Assembly Hall.

November 27, A. and M.-Texas game, Bryan.

P. E. DEPARTMENT TO START INTRA-MURAL PROGRAM

(Continued from Page 9)

mentality will be given in the following paragraphs:

An all-sports manager has been selected in each battalion and the casual company. He is to have charge of the athletics in his particular organization. Under him will be assistants who will direct the activities in each company. A form of questionnaire has been furnished these managers and these are to be given to each man in school for him to fill out. In it the individual is asked to check the sport or sports in which he is interested; there being eighteen of them listed and are as follows: Basketball, baseball, boxing, cross country, equitation, football, golf, hare and hound, hand ball, polo, rifle shooting, soccer, swimming, tumbling and pyramids, track, volley ball, tennis, and wrestling. The results will be tabulated and if a sufficient number desire a sport, it will be offered with equipment and other facilities for playing.

The intramural basketball will begin within the next week or ten days. The plan is in this sport to have at least three leagues, maybe four, thereby making it possible for each company to have a team, this giving each battalion an entry in each league. The winners of these leagues will play another schedule and the winner of this will consequently be the intramural basketball champions of A. and M. A similar method will be used in each of the other sports.

The importance of this program cannot be over emphasized, for it will give the student the opportunity to develop his physical being, as well as furnishing him with an opportunity to use his spare time in a beneficial way, besides teaching him to think as well as act quickly, and last, and perhaps most important, the value of clean play and sportsmanship.

A. and M. is a man's school and only the real he-men survive the weeding out process that goes on from

the time the Freshman enters until he leaves with his diploma. This intramural program will help make better A. and M. men and consequently add to the prestige of the graduates of this great institution.

FARMERS FACE NEW OPPONENTS ON KYLE FIELD

(Continued from Page 9)

This year they meet the Texas Aggies for the first time and with a record that bears only one blemish; a 10 to 7 defeat handed to them by the University of Mississippi eleven. And when the fact is taken into consideration that the football team of Mississippi University is on a par with Vanderbilt and other leading Southern Conference teams, then the weekend opponents of the Aggies are boasting of a team this year that ranks among the leaders of the South.

From all reports as to the strength of this team, the Farmers face a tough game Friday; a game that promises to approach the Sewanee-Aggie tilt of last week.

WH "Y" NOTES

Why did a prominent Signal Corps officer we know return from Houston last week with numerous scars and scratches to remind him of a wild night ride?

Last week when a certain Spanish prof asked what the word "patata" in Spanish meant and then gave the additional tip that we ate lots of them in the mess hall why did Kerr Gibson blurt out, "Beans!" We say why?

Why did Cy Edwards announce in Dalas that it was Buck's time to get a black eye in some hotel? You might call it passing the buck to Buck.

Why is a C. E. department?

Why did a certain young "shriek" we know carry a horseshoe in his pocket all during the dance at Lake Cliff Pavilion and when he tagged, why did he wave said token of luck high above his head?

And now gettin' serious and intending to dig deep—WHEN AND WHY DID GENE CARR START GIVING A. AND M. DANCES?

NEW OFFICERS ELECTED BY COSMOPOLITAN CLUB

The Cosmopolitan Club held its organization meeting on Sunday, October 5th. Six foreign countries, China, Egypt, South Africa, India, Egypt and Mesopotamia were represented. The following officers were elected: A. H. El Nouty of Cairo, Egypt, president; J. de le Fuente of Mexico, Vice-President; D. Florice of Mexico, secretary-treasurer.

The members wish it to be understood that the impression that the membership of the club is restricted to students of foreign countries is erroneous. The club is an international one and a cordial welcome is extended to anyone who wants to be a member.

A man without mirth is like a wagon without springs, in which one is caused disagreeably to jolt by every pebble over which it runs. —Henry Ward Beecher.

NEW SHIPMENTS MILITARY GOODS RECEIVED THIS WEEK

- All sizes in Serge Breeches
All sizes in Whip Cord Caps.
All sizes in Poplin Shirts.
R. O. T. C. Shields, all branches.
Metal Insignia, large and small.
Hat Straps, wide and narrow.
Hat Cords, all branches.
Herman's Drill Shoes, all sizes.
Brown kid Sneaks, all sizes.

Try a Blitz Polishing Cloth to keep your metal insignia brignt. Only 25 cents.

REMEMBER WE SAVE YOU MONEY ON YOUR MILITARY GOODS
