TAKE NOTICE AGGIES.

Gentlemen, don't forget those two big dances Thanksgiving. After the Steers have been completely dehorned Thanksgiving Day, we will all wend our way back to College Station rejoicing in a great victory and also anticipation of the joys of the two following days.

On Friday, Nov. 28th, the Aggie football team of 1924 will be honored with a dance in Sbisa Hall. On the following night a corps dance will hold sway from nine to twelve o'clock. Since Jack Gardner's Orchestra of Dallas will furnish the music we know it will be one of the best.

Don't come up missing. Write that girl tonight because she will be glad to come to Aggie land. Yours and your ladies' presence will be needed.

TRAGEDIES OF THE WEEK.

This editor received a letter the other day from Tommie Strange on a Purina Mills letterhead. We gather that he is still feeding the chickens the same old stuff. An' that's tragical.

Bob Harrison found out the other day that the Ideal Teacher was one who could make Morecroft's "Principles of Radio Communication" interesting enough for a T. E. to sign up for that course.

The trip to Waco must have been one of the greatest events in the life of Pegleg Putnam. Upon his arrival in the "City With a Soul" he was made a sergeant major and a number of his less fortunate friends sewed the chevrons on then and there, congratulating him most heartily.

The military authorities, realizing the worth of such a man as J. Cecil Boyce among men, have reduced this man to the ranks again and he is now carrying on his good work along with Corporal Abercrombie.

Little Bobbie Oakes had a sleepless night in Waco Saturday night. He was evidently worrying about something—we know what not.

U. OF KANSAS ADDS COURSE IN DANCING TO CURRICULUM

A class "open to beginners in dancing and to those who are anxious to learn the fundamentals of good dancing," has recently been begun at the University of Kansas. Meetings, open to the entire university, are held every Friday afternoon, the first half being devoted to the teaching of dancing and the remainder to practicing. A small sum is charged for each lesson.

"The University recognizes the fact that dancing is the foremost form of social entertainment and is anxious to give students an opportunity to enjoy dancing to the fullest extent," said the Dean of Women in reply to the original petition from the men's and women's self-government organization for the establishment of the class.—The New Student.
