We believe that you are all anxious to know who the six most popular seniors are by a vote of the senior class. "Boy Howdy and those two hundred and fifty senior favorites. You've got to give the cake to these 1925 boys. From two hundred and fifty we are having picked the six most beautiful by a national committee. Practically the same committee that picked Miss America at Atlantic City. And who is Miss A. and M.? This will give you a little idea of what the book will have as its contents.

It will be the large size, 9x12. The very best of paper, covers, and workmanship. One of our reasons for the hurry up schedule is to let it stay in the press longer in order that it may have more life and stand more wear. Every page will be a complete change from any other Longhorn. We have tried to make it a combination of the fine points of all the best and largest annuals published. Its many new, original, and changed features ought to make it outstanding.

THE KLANS' KOLLEGE FRAT.

Many are mystified, some are indignant, at Albany, New York, over the report that the Exalted Order of the Ku Klux Klan has been incorporated for over a year in the guise of a Greek letter fraternity, the Alpha Pi Sigma.

The papers of incorporation characterize the Alpha Pi Sigma as a "purely fraternal, patriotic society" which will "own and control all regalia necessary to the proper conduct of its affairs" and will "hold meetings in groves", not only in the state of New York but also "in the entire United States."

This new society is said to have been organized by the Klan as a way out of difficulties caused by nullification proceedings against the incorporation of the Knights of the Ku Klux Klan. These proceedings were due to the fact that alterations were made in the papers of incorporation between the time they were approved by the Supreme Court Judge, George E. Pierce in Buffalo and subsequent filing in Albany.

Suspicious as to the true nature of this "frat" was aroused when it was learned that Wilson D. Bush, Kleagle and personal representative form Atlanta, in New York, whom loyal klansmen call "His Excellency", is mentioned in the incorporation papers of the society as its president. The phrase declaring that "both sexes" are eligible for membership also aroused suspicion. Then a comparison of these papers with the nullified documents of the Knights of the Ku Klux Klan revealed their very startling similarity.

Supreme Court Justice Charles L. Guy, who approved of and consented to the certificate of incorporation, when told what had been learned about the Alpha Pi Sigma, expressed indignation. He said that when he approved the papers of incorporation that they were for a college fraternity.

Robert L. Noah, who drew up the papers declared that he thought Alpha Pi Sigma was to be a general fraternity to which college men who belonged to any fraternity would be eligible.
