

*"City With a Soul" Had
A Real Aggie Day*

On the twenty-second of December, a day that will not soon be forgotten by Aggies, young and old, the members of the Waco A. and M. Club attended the monthly luncheon of the McLennan County Former Students' Association at the Elite Cafe. Were there any regrets? Just let me tell you about it and then judge for yourself. The eats were the best in the world for they were well spiced with speeches by both students and former students. Many peppy yells were given and those former students must have been living over past days for they opened up their "gills" and sounded off big. This meeting turned into one of the most beneficial and enthusiastic "bull-pens" on record. About seventy-five students and former students broke bread together along with the silence quite prevalent in the "City With a Soul."

"Jinx" Tucker was among the celebrities present, and congratulated the "Old Gang" on its pep. Since the fireworks were assuming larger proportions with each outbreak of pandemonium it was deemed necessary to close the meeting before a riot call was turned in. Just a minute—ARE THOSE FORMER STUDENTS BEHIND US? Just listen to this and you will begin to look for that factor of safety to apply to your "loyalty-mobile" to keep them from passing us. At the suggestion of a former student the following resolution was passed:
Resolution on Coach D. X. Bible of the

Texas A. and M. College.

The world is unstinted in its praise for victory, but 'tis fickle, ever changing and quick to transfer its favors to the new victor, never hesitating to analyze.

Realizing this, and appreciating the conditions that are essential to produce winning teams, in athletics;

Further appreciating the heights of achievement reached in the defeat of Centre College, the victor over Harvard University by the football team of our A. and M. College, under the efficient coaching and leadership of Coach D. X. Bible.

By Resolution:

The McLennan County Former Students' Association, Waco Club, in joint session with the Waco A. and M. Club of College Station, do hereby proclaim, without qualification D. X. Bible the greatest coach of the Southland.

Further—

We desire to express to you, Coach Bible, our hearty appreciations and commend you in your untiring efforts to produce winning teams for the Texas A. and M. College.

Further—

We resolve to exert our very best efforts to influence our pro rata share of first class students with football ability to enter as students of the A. and M. College in the future thereby making it possible for you to provide the A. and M. College with the lion's share of victories.

Signed,
Resolutions Committee, McLennan County Former Students' Assn., Waco Club, and A. and M. Club of College Station.

Adopted unanimously by rising and cheering vote.

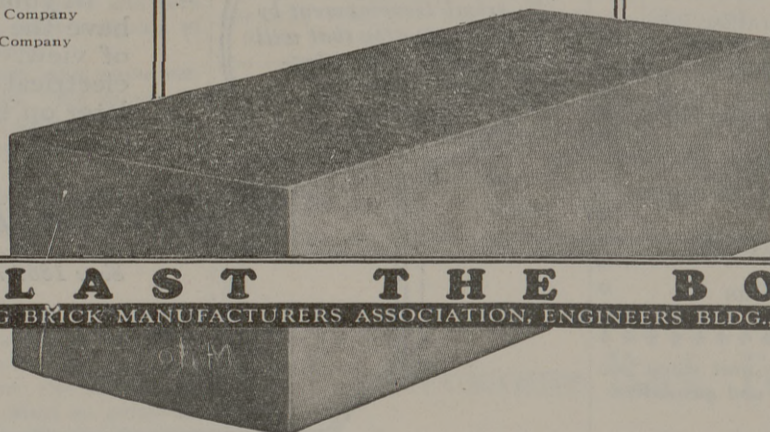

With the passing of the above res-

ASPHALT for *Filler* because it makes the traffic-bearing surface a water-proof, flexible armor not subject to the cracks which follow rigid slab construction, and because repair costs are insignificant where each brick is an easily removable unit.

BRICK for *Surface* because it furnishes the best surface for traffic; *hard*, but not brittle—*tough*, but not rough—*dense*, and non-absorbent—*smooth*, but not "slick"; because its fire-hardened toughness resists wear and tear so sturdily that upkeep expense is squeezed to a minimum and because any margin of higher first-cost is speedily offset by low maintenance, long life and uninterrupted service.

CONCRETE, CRUSHED ROCK, CRUSHED SLAG OR GRAVEL for *Base* because some one of these bases meets any conceivable sub-soil condition, and with a bedding course of sand or screenings makes the best sub-structure yet developed for modern street or highway traffic.

olution and a couple of spasms of gang dispersed and not too soon. As we were leaving we saw "Black Maria," the riot wagon, coming.

What has been related is merely an introduction to what followed. About 9:00 p. m., those cadets began to gather at the Raleigh ball room, and they were not by themselves. They were accompanied by the fairest representatives of many a wigwam. These embryonic squaws were led into a palace decorated most uniquely with Spanish moss and streamers. Nothing was lacking—even the lights were dimmed to the optimum—under their dreamy glare and "Axe" hacked no harder than a siren. When that Aggie land opened up, those traditional murmuring pines and hemlocks, had they been present, would have hushed to listen. The programs were "knockouts." Say, fel-

Like all enjoyable things the dance ended all too soon. At 2:00 a. m. the strains of "Home Sweet Home" pierced the most congenial atmosphere imaginable. Modesty prevents our telling you just how many compliments were paid us for pulling the best dance since the middle ages.

We almost forgot to relate that this hop was also enjoyed by some three hundred radio fans as indicated by replies to the broadcasting of the music, yells, and songs. A few points from Quebec, Canada; Avalon, Catalina Islands; Vedada, Cuba.

Failures

By Edgar A. Guest.

'Tis better to have tried in vain
Sincerely striving for a goal,
Than to have lived upon the plain
An idle and timid soul.

'Tis better to have fought and spent
Your courage, missing all applause,
Than to have lived in smug content
And never ventured for a cause.

For he who tires and fails may be
The founder of a better day;
Though never his the victory,
From him shall other learn the way.

A West Dallas widow says the reason she broke her last engagement was because her fiance was a public auditor, and every time he came to see her he wanted to check up her grocery bills and rummage in her purse.
