AGGIES WIN ONE AND LOSE ONE

THE DOPE BUCKET

The Aggies will play their third conference game of the season in the new gym Friday night with the Rice Owls furnishing the opposition. Bible's proteges will be ready for the fray with several days of practice since the road trip from which they returned Monday night.

Next Monday night the Farmers will tangle with a strong T. I. A. A. contender, Austin College, on the home court preliminary to the games with Oklahoma A. & M. the same week-end. With these games to look forward to, the student body and supporters of the Maroon and White are promised a choice selection of basketball contests.

Freshman Basketball Schedule.

- January 17, Bryan High vs. College Station.
 - January 19, Allen Academy vs. Bryan.
 - January 24, Houston Central High vs. College Station.
 - January 31, Taylor Hight vs. College Station.
 - February 1, Allen Academy vs. College Station.
- Tentative games are being arranged with several other teams, and they include the following:
- February 14, Houston Triangles vs. Houston.
 - February 20, Corsicana High vs. Corsicana.
 - February 21, Commercial Team vs. Ft. Worth.
 - February 23, Commercial Team vs. Fort Worth.
 - February 24, Terrell School vs. Dallas or John Tarleton vs. Arlington.

The first games of the inter-battalion league were well attended by the student body. It is to be hoped that the interest in these games will continue. Support your organization's entry in the league; the members of the teams will appreciate it. Not only that; these men that are playing on the different teams will compose the varsity squad next year. Some of them will be members of the Farmer team this coming fall. Encourage them, for they are Aggies in the making.

The fight for a position as water boy on the all-battalion team promises to be a tight one with "Catoon" Edwards of the 3rd Battalion and Fish Jenks of the 2nd Battalion running a close race. "Q" Oaks is also running.

Blue is all right in the sky
And in the maiden's eye;
But get it in your system,
And it'll kill you
By and by.

Seating Arrangement in Memorial Gymnasium for all Basketball games.

All students will occupy the south side of the building and overflow into the west end where temporary bleachers have been provided.

Section A will be occupied by the Coupon Book holders of the Faculty and Bryan.

Section B will be occupied by those holding permanent reserved seat tickets for all basketball games.

Section C will be reserved for the general public who secure admission tickets for single games.

A sufficient number of seats in Section E, in the center of the south side of the court, will be held for the seniors, letter men and band. We have erected five hundred seats at the west end of the court to take care of the overflow in the student sections. All students will use the second door on the east for entrance and the doors on their side of the court for exit. It is necessary that we have some systematic seating arrangements as well as entrance and exit arrangements in order to handle the crowd and this plan has been adopted by the Athletic Council with the Rice game Friday night, and we will appreciate the full cooperation of all in carrying out this system.

COACH ROTHGEB ISSUES CALL FOR BASEBALL MEN

Pitchers and Catchers Report for Practice.

Baseball training for the coming season began at A. and M. Monday afternoon when the pitchers, catchers and first basemen reported for practice. Uniforms were issued and work began that same afternoon under the efficient tutelage of Coach Rothgeb who will have charge of baseball this season.

At a recent meeting of the candidates for positions on the Farmer nine, about fifty men were present. Included among these were nine letter men of last year; three outfielders, three infielders, two pitchers, and one catcher. Practically all of last year's Freshman team were present. With these men and the others available, some of whom have had quite a bit of experience, the prospects for a winning baseball team are very bright.

Al—Why so gloomy, old top?
Pal—My roommate's going riding in my Ford.
Al—Why that shouldn't make you blue.
Pal—No, but he's wearing my suit and coat.
Al—But, man, you have the one you are wearing.
Pal—Yea, but my money is in the other suit.
Al—Well, if that's what's worrying you, why, here's a five.
Pal—You rummy, he's got my girl out with him.—Ex.

THE AGGIE OFFENSIVE.

	Field Goals	Free Throws	Total Points
Damon	7	4	18
Washburn	5	1	11
Tucker	5	1	11
Kyle	5	0	10
Duckett	2	6	10
Dealy	4	1	9
Baker	0	4	4
Kreuger	0	1	1

The Aggie Cagers returned to College Station Tuesday morning with one victory and one defeat to their credit in the race for conference championship, having defeated Baylor and having been defeated by T. C. U. on the first road trip of the year.

Dealy of the Aggies broke a tied score and incidently won the game from Baylor last Saturday night in their own gym. The Baylor team held the lead far into the second half when "Dime" looped one from quite a difficult angle and made the score 15 to 13 in favor of the Aggies.

Tucker, who was injected into the game during the first half to replace Duckett, was high point man for the night with five points to his credit. Captain Washburn was second in the scoring of points, with two field goals.

Both teams failed many times to count on apparently easy crisp shots after working the ball down the court through stiff defensives. Fight such as is seen in all contests between Baylor and the Aggies was not lacking in this contest.

Coach Bridges started his second string team against the Farmers in an effort to tire them out but the Aggies were not to be tired. Chambless was the only outstanding player for the Waco team.

Coach Bell of T. C. U., who scouted the game with Baylor, certainly did some fast work for when the Aggies met the Horned Frogs on Monday night they were defeated by a score of 22 to 13. The game was played in the small gymnasium of the First Baptist Church of Fort Worth instead of at the college court.

Their team composed of large men, save one, and a narrow court upon which a compact defense could be formed were probably the facts to which the Aggie defeat might be attributed.
