Explanation: When a player first makes the honor roll, his name is listed in this column. For every additional time he is mentioned by the coaches, an obelisk (*) follows his name.

Editor's Note: It will be noticed that there are only four teams who have men on the honor roll. This was because the coaches and managers of the other teams failed to turn in reports to Coach House, director of intramural athletics. Blanks for making these reports can be had from either Coach House or from "The Battalion" staff office in 19 Leggett.

TO ENLIST LOCAL
TEACHERS IN THE
STATE ASSOCIATION

Fort Worth, Texas, Feb. 2.—Brazos County is expected to enlist a large number of the 1000 members of the Texas State Teachers Association which the Sixth Congressional District plans to enroll this year. Mrs. Maggie Barry of College Station is the member of the state executive committee from that district and is in charge of the enlistment campaign. She is now outlining plans for her program and will have announcements to make within the next few days.

D. J. McDonald, Superintendent of the Brazos County schools, and the city superintendent will direct the enlistment of the local teachers.

The year 1925 is expected to be the greatest in the history of the Association. Lee Clark of Gainesville is president this year.

Some men never read the Bible—because they didn't write it.

Another good thing about telling the truth is, you do not have to remember what you say.
