

**"T" ASSOCIATION OUTLINES
PLANS FOR ACTIVE WORK**

(Continued from Page 1)

Coach D. X. Bible for outside help in order that the Aggie teams might successfully meet the athletic competition that has grown so strong in a comparatively short length of time.

In a talk made to the former wearers of the Maroon and White by Coach Bible, a strong appeal was made for every man to align himself with the athletic program that is being fostered at A. & M., including the intramural and intercollegiate branches. He emphasized the fact that winning was not the whole purpose, but that it was only a means to an end. In his talk, the Aggie mentor did not lessen the importance of winning athletic contests and stated that the athletic department was doing everything permitted by the ethics of the conference in order that the Farmer teams might be successful on the athletic field.

He stated further that he would recommend that the "T" association adhere strictly to the rules of the conference that prohibits officials of an institution soliciting the services of athletics.

"If other institutions have not disarmed themselves of the practice in this regard, then it is our duty to exert our influence toward having them comply with the rules and it is most unreasonable for us to rearm ourselves for a fight in competing for eligible athletics. If we do, it will mean that ultimately, intercollegiate athletics will be abolished and only intramural contests will be held by colleges.

"I do not believe it is necessary for us to violate the rules to win against the competition. The institution has the merit to attract men of ability and if you will only use your influence in having these men come to A. & M. and see the facilities that it offers for collegiate, academic and athletics, they will join the college voluntarily."

At this meeting, "Runt" Hanson of San Antonio was elected president; "Rip" Collins of Austin, vice-pres.; and "Johnnie Garrity, secretary and treasurer.

The assembly adopted resolutions expressing their confidence in and an appreciation for the services of Coach Bible and Assistant Coach Rothgeb. Among the many resolutions and suggestions, they recommended that some of the concessions on the campus be set aside for athletes in order that they might have a way of financing their way through school.

The meeting was an enthusiastic one and every one present pledged himself to exert renewed energy in the proper development and utilization of all athletic material at the College; urged a closer and more intimate contact with the Athletic Department and the old letter men of the institution; and that greater attention be paid to reducing the casualty list in the ranks of the athletes from a standpoint of scholastic eligibility.

The climax of the day was reached at the basketball game with the Longhorns; the Aggie victory putting a finishing touch to a perfect day—the first annual homecoming of the former Aggie "T" men.

The Battalion announces the coming out party of one of the season's most popular debutantes, Mister H. V. Goss, otherwise known on the campus as "Smoky". Mr. Goss, according to all reports will be the guest of honor at Friday evening's entertainment.

Good Paving

ASPHALT for Filler because it makes the traffic-bearing surface a water-proof, flexible armor not subject to the cracks which follow rigid slab construction, and because repair costs are insignificant where each brick is an easily removable unit.

BRICK for Surface because it furnishes the best surface for traffic; *hard*, but not brittle—*tough*, but not rough—*dense*, and non-absorbent—*smooth*, but not "slick"; because its fire-hardened toughness resists wear and tear so sturdily that upkeep expense is squeezed to a minimum and because any margin of higher first-cost is speedily offset by low maintenance, long life and uninterrupted service.

CONCRETE, CRUSHED ROCK, CRUSHED SLAG OR GRAVEL for Base because some one of these bases meets any conceivable sub-soil condition, and with a bedding course of sand or screenings makes the best sub-structure yet developed for modern street or highway traffic.

* **SAY BO, DIDJA!** *

Say Bo didja
Ever spend \$4.50
With LAVENDER
The CAMPUS BARBER?
In anticipation of
Your SOCIAL CONQUESTS
In the fair VILLAGE OF BRYAN?
Didja MASSAGE, SHAMPOO,
DYANSHINE, and STACOMB
Until you OUT-MACKED
The PRINCE of WALES
In more ways than a
Farmer can WHIP a MULE?
As you sat awaiting
The TOONERVILLE TROLLEY
Didja decide to PHONE
The object of your aspirations
KILLING TWO STONES WITH ONE
BIRD?

You would love the opportunity
Of soothing your HEAVING,
AMOROUS HEART
By hearing that sweet
Melodious voice coming
Over the telephone,
And you would also
Prepare the MAIDEN
For the ROMANTIC SHOCK
That she would surely experience
When YOU WALKED into HER
PRESENCE.
"Hello! Just thought I'd phone
While waiting for the trolley
I'll be with you in an hour."
"Oh! I'm so VERY SORRY
But this is MONDAY NITE,
You have dates for TUESDAY,
THURSDAY and SATURDAY
NITES."
Did the TROLLEY GULLY-JUMP
Back to BRYAN WITHOUT YOU
Didja START, STUMBLE and FALL,
And lie REEKING with SHAME

Until the WEE HOURS of DAWN
WRITHING with AGONY
Realizing that you had
JUMPED THE GUN
And DRESSED A DAY TOO SOON
Say Bo, didja?
"Rosie" Rosborough did! !

By an overwhelming majority the student body at Amherst College endorsed a resolution asking the authorities to abolish compulsory chapel. They characterized compulsory chapel as an "antiquated institution."
