

"T" CLUB DANCES TO BE GIVEN ON MARCH SIXTH

The long expected "T" Club Dance has been announced at last for the sixth of March and from all plans made public, the dance bids fair to rival any of the year. It is an advent in the social life of our college that is always of importance, because it is the one function of the year at which the athlete reigns supreme. Conditions are such that the dance must be made an exclusive affair so that only a limited number of guests are invited.

There will not be anything left undone to make the "T" Dance a successful affair. To begin with, the music is going to be of the best, for Eddie's Syncopators of Houston have already been engaged. This departs from the precedent of having the Aggie-land play but this may be accounted for by the fact that the members of that orchestra like to enjoy a dance themselves a few times each year. The syncopators will also play for the Corps Dance that will follow the "T" Dance on Saturday night.

Our campus will again be graced with some of the fairest Texas maidens. What "T" man could resist having his girl down for that affair, especially when there is a Corps Dance to follow up?

The committees who have worked hard the last few weeks to make the dance as it should be are: Arrangement—Sid Kyle and A. M. Puckett; Decorations—Archie Damon, Charlie Waugh and Clem Davis; Floor—J. N. Allison and Norman Dansby; Music—H. L. Rogers. The names of these men are sufficient guarantee as to the quality of the "T" Dance.

CORPS DANCE LAST SATURDAY.

The census of opinion has been in the past, that without Aggie-land a corps dance could not be held. It is a decided fact that Aggie-land is good, in fact so good that they cannot always be here when wanted and because of this the Collegians were discovered by the party goers last Saturday night.

To many the Collegians were unheard of, but last Saturday night that orchestra furnished good music for a very good dance. The dance was held in the Annex as usual and everyone felt at home and had an enjoyable evening.

There were many visitors at the dance which helped to make the evening unusual for several and especially Pat Arnin who missed the "Mardi Gra" to be with HER Friday and Saturday.

The visitors were—Miss Sarah Virginia Covert from Ft. Worth, Miss Gertrude Sims and her visitors, Misses Flora Holman, Elizabeth Baker, and Margaret Duncan, who are attending the University at Austin. Miss "Peaches" Robinson, from Springfield, Ill., who is visiting her brother at Wellborn.

Lieutenant Rankin seems to be recovering slowly from his case of despondency developed after the architect's dance. There is some hope held out for his recovery.
