House. He is trying to rejuvenate a prejudiced complaint that is over a year old. Every well informed person knows that conditions, although never as bad as were depicted, have made wondrous changes for the better.

**DR. SCOVILLE IS NOW HOLDING REVIVAL AT THE TABERNACLE**

Dr. Charles Reign Scoville, famous evangelist, began his revival here Friday night with a strong opening sermon in the Tabernacle. Dr. Scoville revealed very clearly those qualities which have distinguished his sermons and made them strong, fearless, and frank. Mrs. Arlene Dux Scoville charmed the audience with the unusual beauty of her singing. She has attained an enviable reputation as a sacred soloist, being among the leading sacred soloists of today.

Dr. Scoville spoke at the regular religious convocation in Guion Hall Sunday morning and also spoke in the evening. He will speak every evening for the rest of the week in the Tabernacle. Many students have heard all the sermons, and speak in praising terms of the quality of Dr. Scoville's preaching.

**C. M. T. C. RECRUITING IS NOW OPEN**

FORT SAM HOUSTON, Texas, March 1—The recruiting campaign for C. M. T. Camps is now opened. These camps are for thirty days and commence on July 28. The young men from the States of Arizona, Colorado, New Mexico, Oklahoma and Texas, which comprise this Corps area, will be trained in six camps located at Fort Sam Houston, Texas; Fort Crockett, Texas; Fort Bliss, Texas; Fort Sill, Oklahoma; Fort Logan, Colorado and Fort Huachuca, Arizona. The transportation of each man who is accepted is paid by our government from his home to the nearest camp. At camp, clothing, food and quarters are provided, also without cost to the applicant. When camp is over, free transportation is furnished for the journey home. Our government pays all the bills.

If you want one month's free outdoor training, with plenty of athletics, recreation and instruction in citizenship, the purpose of all of which is to make you a better citizen, morally, mentally and physically, write now to the C. M. T. C. Officer, Eight Corps Area, Fort Sam Houston, Texas, for an application blank. Don't delay. Applications are accepted in the order in which received. Delay may mean disappointment.

**AN OPEN LETTER TO REPRESENTATIVE BOGGS**

College Station, Texas, March 3, 1925.

As usual, the legislature of the state has begun its annual hazing investigation. Each year, some misguided representative introduces a bill to investigate the brutalities which are supposed to exist at A. and M. College.

We, the members of the San Angelo Club, are indeed sorry to learn that our representative is the one who is misinformed this year. We are sorry to learn that the man that was elected to represent us in the state legislature is so unfamiliar with the existing conditions at A. and M. College.

There are approximately two dozen boys here from San Angelo. Some of us have been here four years, but none of us have ever seen the mythical baseball bat, so often referred to in political circles. Neither have we seen or heard, except through the newspapers, of any freshman being beaten until he was unconscious.

Last year there was practically no hazing at A. and M. College. This year it has been very conspicuous by its absence. Hazing at A. and M. is a thing of the past. The Senior class took a stand against the practice. The faculty has always been against the practice. The combined efforts of these two governing bodies have been very effective in stopping the practice of hazing. Some of us were sorry to see the old traditions go, others were glad to see it abolished; but all, realizing the necessity for the abolishment of hazing, have joined in its suppression.

The result is that there is no hazing at A. and M. today.
