

TRAGEDIES OF THE WEEK.

Although we pause to recall ancient memories, we would advise Chee Chee Schwab to find out just where his girl lives before bidding her such a fond good-night. Also we wish some little birdie would tweet to M. D. Lewis, Chee Chee's rummit, that a bath tub was made to bathe in and not to sleep in.

Bubb Rudd is planning for his coming-out party. He is growing a moustache and already has wasted a bottle of Dyanshine and four hours labor trying to make it show up.

Smoky Goss has taken up golf and whenever he cusses out on the links he blames the fellows playing with him for not telling him that a bunch of ladies were in hearing. Golf will make a man unreasonable alright.

And we might mention here that Goss and Professor Fermier have shaved their moustaches. Now whether there was a secret agreement between the two is not known.

Ed Capers was a week-end visitor at Bowie and Denton. He came back a whole day early so we have reason to suspect that his girl got tired of him and ran him off. Ed says not, however.

The word is out that Louis Hobbs is attending regular skating parties to return in the wee hours of the morning disturbing his sleeping roommate with imaginary glides and turns. Miss Juliette Castles and others are responsible they say.

Sy Guthrie will surely develop a very conservative and careful business man. If you don't believe it ask Colglazier why Sy asked him to refund one dollar which was spent on Bob's girl while Bob was on a pass.

Visitors to Somerville last week—one-third of the cadet corps.

It is rumored that the Kappas know why Jack Finks stayed over in Austin last week-end.

R. V. IS TO BE HELD ON APRIL 16, 17, AND 18

Some time ago it was announced that the dates for the Ross Volunteer festivities would be April 23, 24, and 25. Since that time, however, it has been found advisable to change the dates. The 16th, 17th, and 18th of April, Thursday, Friday, and Saturday, have now been definitely set aside as the days for the celebration.

The committees in charge are working steadily on plans by which the festivities may be made gay and lavish. The famous Jimmie's Joys will play for the dances.

SAY BO, DIDJA!

Say, Bo didja Tread the straight And extremely narrow path For twenty and one long years? Hadja curbed your emotions In order that some day When you had found the PROPER AFFINITY for YOUR DESIRES?

You might draw her close and CROON:

"DEAR LITTLE WIFE of MINE MY LIPS HAVE NEVER MET BUT THINE"

Did PREXY throw an obstacle In your path and convert The A. and M. C. into a co-ed INSTITUTION of LESSER LEARNING?

And did one FAIR CO-ED completely STEAL your UNTOUCHED HEART?

Didja suddenly become An up-town regular fellow Spending LARGE NICKELS At CASEY'S CATCHING EMPORIUM

Didja buy a pair of "yaller boots" And become ONE OF THE BOYS An ULTRA-MODERN PINK TEA SIPPER?

Didja make GOBS and GOBS of poetry

About flowers, spring, the moon And a LITTLE DARK-HAIRED DAMSEL?

Didja reel and lean against A stone pillar in the ROTUNDA

As you listened UNOBSERVED As she told another of her WHOLE-SOULED LOVE for HIM?

Didja crumple down and Lay for hours in a SWOON, And finally awakening

Didja QUOTE another POEM:

"HERE'S TO THE LIGHT, THAT LIES IN A WOMAN'S EYES AND LIES, AND LIES, AND LIES."

Say, Bo, didja??

"Hebber" Allen did!!!!

A flapper thinks the best thing to do with a nose is to powder it, but personally we think the best thing to do with a nose is to keep it out of other people's business and off the grindstone.

HANDY ANDY SAYS:

It's an awful thing to get up in the morning if you have to, but it is a pleasant sound to hear the alarm bell call if you know that it is ringing at the right time and that you have gotten every bit of sleep to be had. Best way is to get the best clock that not only keeps the best time but is so well made that the alarm actually goes off at the time you set it and not fifteen or twenty minutes before or after. You can get an alarm clock that rings to the minute at
