BIBLE LEAVES FOR NEW YORK

Will Attend Football Rules Committee Meeting

Coach Dana X. Bible left today for New York where he will attend the annual meeting of the National Football Rules Committee. His route takes him through Tennessee where he will visit his parents for a few days before going to New York. He will be gone approximately two weeks.

The committee meeting that Mr. Bible will attend is composed of the leading football men of the country. Their duty and functions are to revise and amend the rules by which the national sport is played from year to year. The Aggie coach is the first and only representative the Southwest has had on this important body. Membership on this committee carries with it the highest honor that can come to a man engaged in athletics. Mr. Bible had this honor bestowed upon him for the first time four years ago, and every year since that time.

AGGIE PROSPECTS FOR GOOD TRACK TEAM ARE BRIGHT

Coach Anderson has been working hard with the Aggie track squad for several months, getting them in shape for the coming season and the hard schedule that has been mapped out for them. The Farmer coach is very optimistic over the prospects for a winning team this year and says that they are the brightest we have had for the past three years.

For the dashes the Aggies have two of the fastest men in the conference in Poth and "Mule" Wilson. Poth won the century event in every meet he participated in last year and set new marks in it and the 220 yard dash. Wilson placed in the conference meet last year and can be counted on for his share of points this year in these two events. Woolridge and Mitchell of last year's freshman squad have been stepping these distances off in good time and are making the old men work harder than ever.

Perker is showing up well in the quarter mile and Mitchell, Blair, and Arnold should improve greatly before the first meet.

Captain Weddell is the best half miler we have and is the best in the conference with the possible exception.

AGGIES CLOSE SEASON WITH LOSS TO TEXAS

The curtain of the '25 basketball season was drawn Saturday night when the Aggies suffered a defeat at the hands of the Longhorns during the last five minutes of play. The game which was lost by four points, 17 to 13, ended a most disastrous season for the Farmer team. Not for one minute did those men from Aggie land cease to fight the followers of the Orange and White.

Until the last five minutes of the game the Aggies led but their opponents staged a rally and with the stringy Nation finding the loop a couple of times, gained a four point lead.

The floor work of the Aggies excelled that of the Texans but their shots at the goal were far too erratic to count for much.

Esquivel was high point man of the night with eight points in his favor. Kyle made seven for his team.

Line-up: Longhorn-Aggie game.

Longhorns 17. Aggies 13.

The basketball season of 1925 ended with the game Saturday night and the end marked the closing of the careers of four athletes who were as true Aggies as ever wore the Maroon and White—fighters, every last one of them. They are Washburn, Duckett, Damon and Dealy.

Washburn, captain of this year's team, came to this school from Culver Military Academy where he played two years. His first basketball to be played here was in the intramural league with the Artillery team. That year the Artillery was runner up in the race, losing their last game to the Cavalry team upon whose roster were the names of Duckett and Dealy. He captained his team then and also the freshman squad later in the year. The next year a berth awaited him on the varsity and his work was commended

"RIP" COLLINS

The famous American League pitcher and former member of the Aggie eleven, who returned recently to assist Coach Rothgeb in the task of getting the Farmer hurlers in shape for the coming campaign. During his stay here many valuable suggestions were passed on to the youngsters by this veteran of the big leagues. The Battalion takes this opportunity of expressing the appreciation of the student body for the efforts he has put forth to make the Aggie team a winner in the coming conference pennant chase.

CAPTAIN "LEFTY" ROGERS

H. L. Rogers of Mart, Texas, who will lead the Texas Aggies in their campaign against the other conference teams for the baseball championship of the Southwest this season. Rogers is the leading portsider of the loop and should have the best year of his career in the coming pennant chase.
