"major  
sports"*

THERE'S no other sport on the calendar to compare with smoking a jimmy-pipe packed with P. A. Indoors and out. Any season. You win even when you draw, if you get what we mean. And how you will draw, once you know the wonderful taste of Prince Albert!

Cool as an over-cut notice from the dean. Sweet as the thoughts of a holiday. Fragrant as woodland flowers after a spring shower. P. A. never bites your tongue or parches your throat. The Prince Albert process fixed that the day P. A. matriculated.

Come out for this major sport. Get yourself a tidy red tin at that nearby smoke-shop where they hand out P. A. sunshine. You and Prince Albert are going to be great buddies right from the start. Because there just never was another tobacco like Prince Albert!

*P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and parch removed by the Prince Albert process.*

scholarship cup is a great help to this aim.

The cup was given to the Artillery battalion at the beginning of the 1924-25 term by Captain M. M. Montgomery. It is awarded on an average grade point basis. The first term "A" battery won the cup with an average of 10.7 grade points per man. The average has risen each term since that time until "C" battery won the last term with an average grade of 17 1/4 grade points per man.
