

an Old Grad of the Class of '07

PRINCE ALBERT stepped out into the world nearly twenty years ago. Success was immediate . . . and outstanding. Because P. A. measures up to the first and greatest rule for success: *It has the goods!* The school of experience has produced no finer tobacco than this.

Just buy yourself a tidy red tin of P. A. and tamp a load flush with the muzzle of your old jimmy-pipe. Connect with a match, and let that first wonderful drag tell you that no other tobacco can come within a mile of this for sheer pipe-quality.

Cool as a dormitory radiator. Sweet as an extra cut. Fragrant as a peach-orchard. P. A. can't bite your tongue or parch your throat—another important detail. Get yourself some Prince Albert today. No other tobacco can bring you so much downright smoke-pleasure.

PRINCE ALBERT

—no other tobacco is like it!

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and parch removed by the Prince Albert process.

RELIGIOUS ACTIVITIES AT THE COLLEGE

Religious activities of the various denominational groups at the A. and M. College of Texas are well under way for the present school year. It is expected that several churches at the College will erect buildings of their own just north of the Campus during the next 9 months, on ground purchased in past years. Most group services are now conducted in College lecture rooms.

According to reports compiled to date, the denominations are represented as follows in the student body: Methodist 641, Baptist 560, Presbyterian 282, Christian 162, Episcopal 116, Catholic 110, Lutheran 50, Church of Christ 26, Jewish Reformed Church 15. These figures will be increased when registration records are completed, and as additions are made to groups.

Religious convocation is held each Sunday morning at 10:50 o'clock in Guion Hall, the College auditorium. This service is compulsory for all students, and is also attended by Campus residents and Bryan people. Leading religious workers of the state are invited to conduct these services. Station WTAW, the College radio broadcasting station, features these weekly services.

A union Sunday School is conducted in Guion Hall each Sunday for all students and Campus residents who are not affiliated with some group under the direction of M. L. Cashion, secretary of the Y. M. C. A.

Rev. J. C. Thomson, Methodist pastor, has been at work on the campus for the past two years. Services for his group are conducted in the Methodist Tabernacle. A parsonage is planned for erection in the near future, to replace the temporary structure now in use.

The Baptist group is in charge of Rev. R. L. Brown, who has been at the College for the past six years. The group services are filling the temporary quarters in use and plans are under way for the erection of a church building on ground adjoining the pastor's home off the campus.

At present the Presbyterian work is under the direction of Dean F. C. Bolton of the College, but a pastor has been called and plans are being completed for the erection of a pastor's home before Christmas. Services for the group are held in the Y. M. C. A. building.

The Episcopal group has started out this year with a new pastor. In former years services were led by the Bryan pastor and men from other cities. Rev. W. W. Daup, formerly of Rochester, Minn., has arrived on the campus and taken over the work. He was at one time head of the Episcopal work in Bryan. Ground has been purchased and a church will be erected during the next year. Services are now held in the Y. M. C. A. Chapel.

The Christian group, with Dr. L. Leroy Davidson of the College in charge, conducts services in Guion Hall with the union Sunday School. Father J. B. Gleissner of Bryan, conducts Mass each Sunday morning for the Catholic group. They have purchased ground for buildings, but at present one of the College class rooms is used for their services.

Rev. Hugo Roitsch of Kurten will conduct services for the Lutheran group in one of the College class rooms for the time being. It is planned to start a mission in Bryan which will then take charge of the student work here.
