It's mighty easy to like the best

THAT'S why Camel is the most popular cigarette ever made. In all tobacco history there has never been a cigarette preference like Camel's. Nothing is too good or expensive that will make Camels the world's finest smoke. Camel is the friendliest cigarette ever made. From early morning to night's last reluctant parting you just can't smoke enough Camels to tire the taste. Camels are the celebrated smoke that brought an R. J. THE DEAD WATCH.

I woke to look upon a face Silent, white, and cold. O friend, the agony I felt Can truly ne'er be told. We'd lived together but a year, Too soon it seemed to me Those gentle hands, outstretched and still That tried so hard for me. My waking thought has been of one Who now to sleep has dropped It's hard to realize, O friend My Ingersol has stopped.

A young lady of the campus claims to be the author of this stirring poem, but we have it from W. L. K. (whoever that may be) that it is a clear case of plagiarism.

STUDENT OPINION

What carmine-colored cloth is to cows, crimson sauce has come to be to cadets at mealtime. Tomato sauce tomato sauce tomato sauce! The bull neck is adorned with it, the maddles are mixed with it, even the lowly hominy is perverted by its presence. By actual statistics over the past three weeks, every meal, excepting breakfast, has had smashed, mashed, pasty looking tomatoes poured over one or more of its principal constituents. Oh, if these be love apples, give us hate cabbages, moans the mealhound. And all of Sbis's boarders have added this sentence to their Christmas plea: From canned tomatoes, dear Santa Claus, please deliver us.

Take care to get what you like or you will be forced to like what you get.
