

To all men who make a hobby of pipes

MAYBE you've spent half your life and fortune on this old hobby—collecting everything from peace-pipes down to the latest "L and Maria" underslung. Maybe you know the pipe encyclopedia from amber Americanus to Zula zuago.

But if you're a pipe *smoker*, you learned long ago that no matter how much a man may know about trick pipes and pipe tricks what he gets out of any pipe depends on what he puts *in* it.

And if you know your tobaccos, you know that any pipe's a sweeter smoke when packed with grand and glorious old Granger Rough Cut. . . The finest Burley that grows, mellowed Wellman's way and specially cut for pipes. . .

A man may have a hundred pipes but he needs only one tobacco. . . and that's Granger. For whether you put it in a meerschaum or a corn-cob, Granger is always the same cool, sweet tobacco. . . worthy of any pipe in the world.
