

## Road Trip Drops Aggies to Fifth Place

Owing to a lack of material to fill the column of free throws we will print a so-called "break-off" that was handed us. All those wishing to contribute to this free throws column are welcome to it and all contributions will be gratefully received at 107 Hollywood. The said break-off or we should have written information for the benefit of College and Bryan residents.

 That Bryan is swiftly becoming so congested within its incorporated limits, that new residents are going to the suburbs is evidenced by the formation of the new addition known as "Jim Davis Junction."

Located two and one-half miles from Bryan, on the Bryan-College interurban and one block off the highway, "Jim Davis Junction" bids fair to be an ideal spot for future residents of Bryan, and a frequent visiting place for some Captain and First Lieutenant in the Cadet Corp.

The idea of dividing "Jim Davis Junction" and forming "Starnes Acres" is being advocated by some interested in promoting this new addition.

### TEMPLE HIGH DROPS A PAIR TO FRESHMEN

Lockett of Fish and Shull of Temple High Point Men.

Our Aggie Fish won a pair of basketball games from the Temple Wildcats last week and doing so showed that they had a much faster team than the high-school boys. Practically every fish on the squad was given a chance to show his stuff in the two games.

In the first game, played Friday night, Coach Bender used thirteen players to run up a score of nineteen points while Temple was making eleven points. Lockett of the Aggie Fish was a high point man with six points although he was closely followed by Conover and Candle of the Fish, and Shull of Temple with four points each.

The second encounter, played Saturday afternoon, saw Shull run wild with the ball to make a total of sixteen points. Shull will be remembered for his prowess on Temple High's football team. The Aggie Fish won the game 26 to 19 with Whitten leading the scoring (for the fish) with 6 points and Conover coming next with 5 points.

Johnny Broad refereed both games and Snead was umpire.

The Fish will play a pair of games with Waco High School on February 4, and 5, and then on February 18, and 19 they may be seen in action against Austin High School.

### FARMERS HOLD BALL PRACTICE

Aggie Team Has Nine Veterans Back.

While the full baseball squad is not expected to report until the first of March, preliminary warming-up practice on the part of some of the A. & M. players is being held whenever the weather permits. Pitchers and catchers have been working out for several days and equipment has already been issued to the players.

The Aggie baseball team, which has nine letter men back from last year, will have a large squad of promising players from the 1926 freshman team, Claude Rothgeb, head baseball coach, has pointed out.

Among the members of last year's "fish" team who should make the regular squad this year are A. C. Bryant, Mexia, outfielder; E. Broes-

### AGGIES COVET RELAY EVENTS

Coach Andy Sets Hard Training Program for Squad.

Coach Anderson has already set under way a strenuous training program for the likely-looking Aggie track squad in an effort to develop an array of talent to strike for Southwestern Conference honors this year.

Last year the Aggie track team finished second. Capable athletes are on hand for every event this season and sport critics admit that A. & M. probably has the best-balanced track aggregation in the conference.

Coach Anderson is anxious to match two track meets with several of the conference teams, and has about closed negotiations with Rice and the University of Texas. The Longhorns are scheduled to come here May 7, and negotiations are under way for the Aggies to go to Austin either April 2 or 9.

#### Strong Relay Team.

The Aggies will be particularly strong in the mile relay. Captain Ernest Parker of Fort Worth holds the conference record in the quarter-mile event. Burge Burgess of Hale Center and R. C. Graham of Tyler also rank among the quarter-milers in the conference. Coach Anderson needs to develop but one other quarter-miler to compete his mile relay team.

It is believed that the Aggies have a good chance to win first place in the javelin-throwing event. Ox Dieterich, who won second place in this event at the national meet in Chicago last summer, has played out his term of eligibility, but W. D. Willis of Dallas and Bill Hollerman of San Antonio are developing rapidly.

There is no shortage of high jumpers with H. Ashley of San Antonio, V. J. Head of Brownfield and J. C. Appleman of Dallas on hand. The team also is well fortified in the weight events with Z. W. Barlett of Marlin and H. J. McKenzie of Houston available.

### LAST WEEK'S SCORES IN THE CONFERENCE.

- Texas 28, Rice 19.
- Arkansas 34, A. and M. 27.
- Arkansas 25, A. and M. 16.
- T. C. U. 31, Baylor 24.
- S. M. U. 45, Rice 14.
- S. M. U. 33, A. and M. 32.

### ARKANSAS AND S. M. U. MAKE CLEAN SWEEP OF SERIES

Last Minute Goal Gives Ponies Game.

The Arkansas Razorbacks took both games of the two game series from the Aggies at Fayetteville last week by the scores of 34-27 and 25-16.

Both games were fast and hotly contested all the way. Petty with fourteen points was high point man of the first encounter while Pickel, Arkansas star, was high point man of the second affray with ten. Rose of Arkansas and Baker of the Aggies also played well.
