

When the plutarchs start plutarching

AT THE night sessions, when class philosophers vie with class Merry Andrews in deciding the heavy problems of the world—or burlesquing them — notice the royal guest, Prince Albert. Chiming in with the spirit of the occasion. Filling the air with the finest tobacco-aroma ever.

Do you smoke Prince Albert? It will bring you more pleasure and satisfaction than you ever thought a pipe could give. The instant you throw back the hinged lid and release that wonderful P. A. fragrance, you suspect you are in for some grand smoke-sessions.

The very first pipe-load confirms your suspicions. Cool as a gate-tender. Sweet as the week-end reprieve. Mild as the coffee in Commons—mild, yet with a full body that satisfies your smoke-taste completely. Get yourself a tidy red tin this very day.
