

AGGIES TAKE A PAIR FROM SOUTHWESTERN

PICKUPS

The coming road trip of the Aggie baseball team is the hardest of the season. They will play four games in five days, two against S. M. U. and two against T. C. U., both strong teams. T. C. U. lost two games to Texas last week and will be out to win and advance in the Conference ladder. S. M. U. split a pair of games with Arkansas, but the games do not count in the Conference standing as Arkansas withdrew from the baseball race and none of her games count.

The track meet at Austin last week showed that we have a much stronger and improved team than last years, and one that is going to put in a strong bid for the Conference championship. Buck and Kennedy both lowered records in the dual meet with State, and are much more polished performers than they were last year. Burgess, Ashley, Holleran, and O'Neal from last years fish have helped to round out a well-balanced track team.

Spring training has now started and about thirty-five men report daily to Coach Bible for workouts. The time is being given to drill in the fundamentals, so that no time will be lost

LONGHORNS DEFEAT AGGIES ON TRACK

Conference Records go Down.

Coach Anderson has developed a much better track team this year than was thought possible with the material on hand. At the beginning of the season it did not look as though we were going to be able to do much in track, but after viewing the results of the dual meet with Texas, it looks as though we are going to win a Conference Championship this year.

Texas just managed to beat us by nine points in the dual meet last Saturday, although we got just as many first places as they did. This was one of the closest dual meets that has

AGGIE TRACK SETTING FOR RELAY CARNIVAL

Large Attendance of State Athletes Expected on April 29-30.

The second annual relay carnival and fifteenth annual interscholastic track and field meet will be held here on Friday and Saturday, April 29 and 30, Frank G. Anderson, track coach of the College and manager of the meet, has announced. All undergraduate athletes in high school and academy institutions who are passing in at least three courses are eligible for participation. There will be no division of the athletes from among the high schools and academies.

In view of the success of the first relay carnival last year, this year's combination carnival and track meet is expected to be one of the best athletic meets of the year. Indications point to a large representation from every section of the state.

Medals for every event will be awarded winning teams and individual athletes on the second day. A long list of attractive awards is being engraved for this year's meet.

Although the rules of the Southwestern Conference do not permit the refund of railroad fares, every convenience will be provided for the players and visiting athletes. Accommodations will be provided on the campus, and the players will be given meals at the mess hall, which will be general headquarters. Everything possible will be done to insure every man a profitable and pleasant visit to A. and M. College.

There will be no mile relays on the second day, but these will be held in connection with the relay carnival. The relay carnival will include quarter-mile sprint medley, half-mile medley, and mile relay. The track events will include pole vault, shot put, 120 yard high hurdles, 100-yard dash, mile run, high jump, discus, 440-yard run, 220-yard run, broad jump, javelin, half mile run and 220-yard hurdles.

We weaken when we exaggerate.

Education will broaden a narrow man, but there is no known cure for a big head.

PLAYGROUND BALL WINS FAVOR

A Doubles and Singles Contest to be Staged in Horseshoe Pitching.

With the introduction of the long spring evenings there has also come the many games of playground ball that dots the campus every year when the baseball bug gets under the skin. Playground ball will offer a field for more boys to play than ever before as it is desirable that a team be organized out of each company instead of out of each battalion as has formerly been the custom. The equipment for playground ball has been issued the battalion managers and all companies that intend to enter the league are requested to draw their equipment from their battalion managers.

All over the campus there are horse shoe contests going on but there are very few intending to enter the tournament that is to be staged in the near future; why not every one capitalize his talent and enter this tournament and make the competition a bit more keen? There will be doubles tournament as well as a singles tournament. All you horse shoe chunkers get in on this and show the old folks how it is done.

AGGIE GRIDIRON WARRIORS OUT FOR TRAINING

44 Out For Spring Training.

The drill ground behind Hollywood has been turned into training quarters for our next year's football team. Coach Bible has been putting the men through light work out daily.

The following men, 6 Varsity lettermen, 7 Varsity Squad, 11 Fish Numeral and 20 Battalion, are out for spring training.

Varsity Lettermen: Deffenback, J. A., Ft. Worth, Texas; Lister, W. S., Livingston, Texas; Rektorick, J. A., Violet; Petty, S. J., Decatur, Texas; Sprott, A. C., Livingston, Texas; Wylie, H. P., Dallas, Texas.

Varsity Squad: Crawford, W. L., (Continued on Page 9)

WYMAN ALLOWS BUT ONE HIT IN OPENER

Leave on Road Trip Next Thursday.

The Pirates dropped both games to the Aggies last week-end by scores 4-3 and 9-5. Errors played a large part in the scoring of both games.

Wyman was on the mound for the Aggies in the first game and allowed the Pirates but one hit, a triple by Ballew in the first inning scoring Hardin. The Aggies tied it up in the second when Hunt squeezed Baker home, but Southwestern took the lead in the third with two more runs. The Aggies tied the score again in the sixth and scored the winning run in the seventh when Hunt walked and went to third on Schuenemann's single. Wyman hit to short and Hunt beat the throw home. Lynum pitched for Southwestern and turned in a good game.

Holmes and Bryant divided mound duty in the second game and succeeded in holding the visitors to five runs while the Aggies gathered nine. Duncan and Blackburn pitched for Southwestern and gave up ten hits between them. Duncan walked six men in addition. Loose fielding in the field by both sides accounted for a large number of the runs. Ballew again starred for Southwestern, as did Hardin.

The Aggies leave Thursday on a road trip, playing S. M. U. at Dallas Friday and Saturday, and T. C. U. at Fort Worth Monday and Tuesday.

Box Score—

First Game.									
	AB	R	H	PO	A	E
