in getting started next fall when the time comes. About the only Varsity and Fish men of last year not out are those on some other athletic team of the College.

The Fish baseball team goes into action this week-end against Marlin High, April 8th and 9th. These will be the first games the Fish have scheduled and Aggie followers can get a line on their future material. These will be the only baseball games scheduled for the week.

The Aggie tennis team will journey to Houston this week-end where they will meet the Rice Owls. Davis, Gill, Hyland and Ross will make the trip. Each man will play a singles match, and two doubles teams will play also. Davis and Gill will be one team while Hyland and Ross will be the other. Professor Thomas of the English Department is the Coach and will make the trip with the team.

The first track meet of the season on Kyle Field will be held next Saturday against S. M. U. and should turn out to be a very interesting affair. S. M. U. has one of the best teams it has had for a long time, and our meet against State last Saturday showed what we had. The baseball team won't be here but the track team is just as much deserving of your support. Everybody be out and pull for a victory.

ever been staged between the two state institutions and the competition was so keen that four conference records were exceeded.

Cockrell of Texas won the 100 yd. dash in 9.8 sec. which is 1-10 sec. less than the record held by "Dusty" Poth of A. & M. Our own C. E. Buck ran the 220 yard dash in 2-10 second under Poth's record. Smith of Texas exceeded the broad jump record by 3 1-4 inches. Kennedy of A. & M. ran the 220 yd. low hurdle in 1-10 sec. less than the record.

This meet furnished several surprises. Sheppard of Texas, who is famous for his high-jumping, was tied by Ashley of A. & M. for first place. Johnny Crump, the long-legged crane from Menard, proved his versatility by winning the half-mile in fast time. Yeary of A. & M. surprised everyone by his phenomenal javelin-throwing, coming second in the event, just 6 3-4 inches behind the winner. Our mile relay team, running true
