

## LONGHORNS WIN CONFERENCE MEET

### NEW RULINGS IN CONFERENCE

Eligibility of Grid Stars Questioned.

While the victory of Texas University and the shattering of six conference records was the big feature of the Southwestern conference meet several changes in the conference rules as they apply to the athletic affairs of the various schools were also made Saturday at a meeting of the representatives from the seven conference schools.

Dr. D. A. Penick of Texas was re-elected president of the body after having served in this capacity for four years. All other officers also were re-elected. These officers are: E. W. McDairmid, T. C. U. vice-president and Charles E. Friley, of A. and M. secretary and treasurer.

Important changes in the conference rules were:

Basketball practice must not start until Nov. 1.

Baseball practice must not start until February 1.

The eligibility of several football stars of last season was also questioned. Aubrey Gooch of Texas and Dogs Dawson of S. M. U. according to rumor were two of the players mentioned.

Saturday's meet was one of the greatest ever staged in the conference. Texas with 58 1-2 points won the sixth straight title for the Longhorns. A. and M. was second with 33 1-2 and Rice third with 23. S. M. U. with 20 1-2 was fourth. Baylor had 12, T. C. U. 10 1-2 and Arkansas 7.

Edwin Wide, Stockholm distance star set a new unofficial world record for the mile and a quarter when he negotiated the distance in 5:31.1. Several Rice freshmen runners competed with the Sweedish star. He gave them a 150 yard handicap and passed them at the half way mark.

Smith of Texas and Hooper of S. M. U. were tied for individual honors. New Records made:

Mile—Hooper, S. M. U. 4:21.8 new conference mark.

440-yard dash—Parker A. and M., 49.1 new conference mark.

Mile and one-fourth—Wide, Stockholm—new unofficial world mark.

Pole vault—Hammond, Texas, 12 feet, 11 in. New conference mark.

### INTRAMURALS SHOW GROWTH DURING YEAR

Swim Meet to Mark end of Successful Year.

Intramural wrestling has attracted considerable attention several evenings during the past two weeks. The matches were of the heavier classes, as only one wrestler was entered in the 125 pound class with none in the 135 pound class.

The winners were: 145 pound class: Tabor, R. R., Cavalry; 160 and 175 pound class, Dillon, E. A., 1st Battalion.

The last competition in interbattalion sports will be a swimming meet to be held Thursday the 19th at 4:30. This meet will be held in the Y. M. C. A. pool and its close will practically mark the ending of an unusually successful year of intramural athletics.

Through the untiring efforts of W. L. Pemberthy, director of Aggie Intramural Athletics, Intramurals at Aggeland are fast being put on a par with all the other large colleges throughout the country. Being the hard worker and conscientious man that he is Mr. Pemberthy has made many of the sports on the Intramural card far more attractive than they have been. Under his guidance new sports have been introduced, namely: Speedball, Handball, Gymnastics, Horseshoe Pitching, that have met with much acclaim.

Under his titelage and with a bit more cooperation from some of his managers Intramurals will soon be the leading factor in sports at A. & M.

### AGGIES TAKE TWO FROM CENTENARY BY EASY SCORES

Hard Hitting of Aggies in Both Games Looks Encouraging for Coming Games With State.

The Texas Aggies won both of the two game series with the Gentlemen from Centenary College last Friday and Saturday by the scores of 15-2 and 18-4. "Siki" Sikes pitched the first game and was back in mid-season form, having plenty of stuff and control. The game was fairly good until the fatal seventh when the Aggies turned it into a track event by making seven runs and eased it off in the eighth with six runs. "Nig" Wyman pitched the first seven innings but couldn't get the stuff on the ball in the seventh, allowing six hits and the four scores of the game. Bryant, who relieved him, pitched the next two innings hitless. The things of note during the games was the hitting of everyone, especially Hillin and Kalleen, the pitching of Sikes and Bryant and the scarcity of errors by the Aggies.

### GOLF TEAM TAKES SECOND PLACE IN CONFERENCE MEET

That famous Aggie golf team, lead by Captain A. O. Nicholson, nearly brought another championship to Aggeland when they tied with Texas University in the Southwestern Conference golf meet. In the play-off of the tie, however, the Steers managed to use a few less strokes and therefore copped the championship.

The star of the Aggie team was Brehmer, who was medalist in the qualifying round. Brehmar is quite an accomplished golfer, having been captain of the Aggie golf team which won the first conference championship to be awarded in this sport.

Very little has been heard of our golf team but they have been out working hard every afternoon. They have no large gallery following them and when they had the dual match here with Rice Institute, very few cadets went out to the country club to see it. In addition to playing in the conference meet, our team met S. M. U. and Rice Institute in dual matches, winning from S. M. U. and
