### AGGIES IN SOUTH AMERICA EVINCE INTEREST IN TEAM

Maracaibo, Venezuela,  
South America,  
August 29, 1927.

Coach D. X. Bible,  
Texas A. & M. College,  
College Station, Texas.

DEAR COACH:

Perhaps you are wondering who  
could be writing to you from this  
point of the world, but it is just one  
of these scattered "Texas Aggies,"  
who still have that old "Farmers'  
Fight Spirit."

I have been in an argument with a  
boy here who claims that some times  
in '17, '18, or '19 that the "Texas Ag-  
gies" were defeated by the Tennes-  
see Doctors by a score of over 100 to  
0 in football. I can't feature Texas  
A. & M. first team being beat by  
any score like that, and certainly I've  
never heard of it.

Would it be asking too much of  
you to let me know what was the  
greatest defeat A. & M. has suffered  
from any other college, and also the  
greatest victory we have ever made  
over a first-class college or univer-  
sity. Perhaps Mr. Sullivan would be  
glad to send me this information, as  
you will be quite busy getting the  
boys in trim to run off with another  
"Southwestern Conference" record. I  
know we won the "Conference" in '17,  
'19, '21, and '25, but when we lost  
the Conference in other years, I do  
not remember that we ever suffered  
any such defeat as has been claimed  
by this boy.

There are three "Old Texas Ag-  
gies" here in Venezuela with the Gulf  
Oil Co., and we certainly are watch-  
ing the A. & M. team this year. They  
are D. M. Carmichael, R. A. Rosbo-  
rough, and myself. We are wishing  
the Texas Aggies the best of our  
good wishes in this coming year and  
know if it is possible for us to win  
the Conference we can depend on  
you, "Our Coach," as well as "Our  
Boys," to do their share.

Tell the team that there are three  
"Texas Aggies" in Venezuela watch-  
ing them this year and tell them  
we are Texas Aggies 100%.

I have just sent in my yearly pledge  
to the "Endowment Plan" and ask the  
secretary to see that my Texas Aggie  
reaches me more often, as I've only  
received two copies in nearly a year  
down here, and want to keep up with  
the old school at all times. They  
should be started about the time you  
receive this letter, and if it is not  
asking too much of you, please give  
the editor my regards and tell him to  
put me on the list for a "Bat" this  
year. I do not know how much it  
will cost me in a foreign country, but  
if he will start sending them and not-  
ify me the amount I owe him, I will  
send a check by return mail. I am  
asking a lot of favors, "Coach," but  
as all Texas Aggies "swear by their  
Bible," I feel free to ask this of you,  
as I know if we were not defeated by  
any such score as has been claimed,  
you would want to put the matter  
right before every one, and if we have  
been defeated to that extent, we are  
sports enough to say so, and also  
say we "went down fighting," just  
the same.

A 100% Texas Aggie"  
Jerome L. Gunn, '26,  
Venezuela Gulf Oil Co.  
Apartado 234,  
Maracaibo, Venezuela,  
South America.
