spirit and enthusiasm for the coming season, and it will be a yell practice just before the game with Trinity, which will be played Saturday.

All freshmen are reminded to be on hand right after supper Friday night in front of the Y. M. C. A., and also to get one of the yell books when they are issued, and to get busy on the yells. people, and there is sometimes quite a congestion when automobiles are coming in. Therefore, by the students using the east gate, it will facilitate the matter of handling the crowd at the main gate and lessen the chances of accidents.

The management will highly appreciate it if the students will enter the gate on the east side of the field. It will also be appreciated if they will leave the field at this entrance.

He: Let's go out on the porch and have a little talk.
