FIRST CORPS DANCE SATURDAY NIGHT

Annex to be Gathering Place of Local Shieks.

This coming Saturday will mark the opening of social activities at Aggieland this year. Percy Farris is Social Secretary of the Senior Class and announces that the first corps dance will come Saturday night in the Annex. The admission is only \$1.00 and anyone attending is assured of getting more than his money's worth, as the new Annex makes a fine dance hall, and the Aggieland will be there in full force.

The corps dances have always been popular with the students, and this year promise to be better than ever. Attention has been given to make the opening dance especially good, so put aside that dollar you are planning to use in Bryan Saturday and come to the Annex if you want to have a hot old time. Fish with social ambitions are especially urged to make their debut now. Col. Nelson will probably be there, so don't miss this opportunity to see our new commandant strut his stuff, and don't forget he also has two good-looking daughters.

BRAZOS COUNTY MOTHERS CLUB EXTENDS GREETINGS

From the members of the Brazos County A. and M. Mothers Club to all of the students at A. and M. College this fall, greetings.

We wish it was possible to know everyone of you personally, but we hope you will consider us your friends just as if we did. There are many ways we hope to serve you during the coming year, but we will need your cooperation to make our service most effective. Any time you feel that you would like to talk things over with your own mother and can't, remember there are a dozen mothers living right here on the Campus, members of the club, who will be glad to discuss your problems with you and advise you just as if you were her own boy. If you will let some of us know when your relatives visit

you here we will be glad to give them a welcome and show them around.

When you write home tell your mothers we want them to feel that they have a definite group of friends here who are interested in their boys, and will be glad to do anything for them at any time. We hope a number of them will decide to organize A. and M. Mothers Clubs at home and cooperate with us as other clubs out the state are doing.

Wishing for each and every one of you that this will be the very best year of your life, lets all pull together for the best school in the best state in the best country in the world, the A. and M. College of Texas.

The Brazos County A. and M. Mothers Club.

Brummett and Eckle splay drums and trombone respectively, and Callahan, Werner, and Bassett compose the saxophone and clarinet team. Giffen is the trumpet man, and Davis plays bass and

A CORRECTION.

"The Battalion" staff is very sorry that such an error as was made in last week's edition, should occur. In the list of senior class officers, J. H. A. & M. COLLEGE DAIRY HERD HAS BEEN PICKED

The A. and M. College of Texas dairy herd of eighteen cows selected for fall showings in this state includes eight Holsteins, seven Jerseys and three Guernseys. The herd is scheduled for exhibition at three fairs, the first being the West Texas Fair at Abilene from September 26 to 30. The college exhibit milk herd is considered exceptionally fine this year and those in charge are optimistic over prospects at the showings.

The second showing will be at the Texas-Oklahoma Fair at Wichita Falls October 1-8, and from there the herd will be shipped to Dallas for the State Fair of Texas, Oct. 8-23. A. L. Darnell, of the dairy husbandry department, expects to join the herd at Wichita Falls in a few days, the animals already having been shipped from the college.

It has been announced that animals of Texas exhibitors that win first places at the State Fair at Dallas will be sent as a state herd for exhibit at the National Dairy Show at Memphis, Tenn., Oct. 15-22. The judg-
