**RODEO AND PAGEANT.**  
 (Continued from Page 1)

A. A. Storey of Lockhart, business manager; R. S. Buchanan of Bryan, social secretary; H. H. Weatherby of Hillsboro, publicity agent; and W. L. Crawford of Palestine, decorator.

With such men at the head of the Big Show and with the cooperation of the rest of the junior members of the Saddle and Sirloin Club there is no doubt that the two thousand students and scores of outsiders that attend this affair annually will be highly pleased.

There will be beautiful girls—yes, right here on this campus—they will come from, no one knows where, but they will constitute the pageant. And who will be Queen?—Well that is a dark secret until the pageant opens. She may be your best girl; last year she was from Dallas, and Dallas is bidding heavy this year, but that will be decided later.

The rodeo is a big feature that arouses the interest of all the wrang-

lers. This year we are to have real honest-to-goodness hard pitching animals; no matter of cost of obtaining these animals is to be considered. They will be brought from hundreds of miles if nothing that will pitch can be had at closer range, and students are to try to ride them. We have some real bronc-busters and they will have to be real ones to ride these animals. In the past we have found that some of the best riders in the state are registered in this institution.

The exact date for the show has not been decided, but it will probably be held about the first week in November. Don't fail to see this show for you will talk about it in the years to come.

**AGGIELAND ORCHESTRA.**  
 (Continued from Page 1)

McCown the piano. The orchestra started work at the opening of school and meets every afternoon for practice.

The orchestra made a very successful tour of the State last Christmas and another one is planned for this year. The Texas cities and towns which had A. and M. Clubs large enough to stage a dance had the Aggieland play for them at their annual club hop.

The Aggieland is also the official orchestra for the corps dances and will make its initial appearance this coming Saturday. All old men know what the Aggieland can put out, and will be glad to dance to its strains once more.

**CUPID UP-TO-DATE.**

Cupid up to Date, can you imagine anything more farcial in the sense that they are propping to show the A. and M. Cadet Corps, THE A. and M. CADET CORPS something about Cupid. And the odds are two to one that they will! So they say? Though one is not supposed to be able to teach an old dog new tricks; the forthcoming musical comedy, Cupid Up To Date, will probably be very instruc-

tive to most of the campus shieks for the cast is entirely local. In other words, a chance to see how she will act when there is some one else watching her.....

This little musical comedy is sponsored by the Brazos County Mothers' Club, given under the direction of Miss Smith of Houston and points east, and is given for the benefit of the B. C. M. C.'s Student Loan Fund. It, the musical comedy, which by the way has lots of IT in it, is a delightful little comedy based on what disastrous results occur when Cupid's place is taken by cold reason and logic. The costuming is rather unique and the music good, the rest you may say for yourself after you have seen it.

The Sunday School is the world's greatest institution for popularizing the world's greatest Book.—William E. Gladstone.

They went into the garden;  
 They necked for quite a spell;  
 Then they drank a little gin—  
 The rest ain't fit to tell.
