

You have money

You have money for luxuries only by buying wisely such necessities as your fountain pen. Buy a Lifetime°. Inferior pens can easily cost, during college days, many times the price. Yet its \$8.75 alone will give flawless writing—guaranteed to last, not merely for college days, but for your lifetime. No repair charges at any time. It is the pen that spends the most days in the writing hand and the least in repair shops. It costs more because it is worth more.
