DROP KICKS

(Continued from Page 8)

Say, did you see Horace Wylie tackle Hume when he received that last kick-off? Talk about your proverbial ton of bricks.
 * * *

S. M. U.'s favorite pass seemed to be Mann to Hunt, or Mann to Bartlett.
 * * *

Did you know that Joel Hunt has scored a total of 104 points so far this season?
 * * *

Outside of Dallas just one prominent sports-writer picked S. M. U. to win the game. The others are familiar with the traditions of Kyle Field. Jinx Tucker and Doby DuBose yelled their heads off when Joel made that first touchdown.
 * * *

Rice next for the Aggies and then the final game against Texas on Kyle Field. Neither will be easy battles. Most any team has at least one good game a season in its system and the Rice Owls will likely play their one game of the year against the Aggies as they have so often done in the past. It is played in Houston and that will help the Feathered Tribe.
 * * *

At the same time the Aggie cross-country team will meet the Rice harriers in their hardest race of the year.

HUSTLE AND GRIN

"Smile and the world smiles with you,"
 "Knock" and go it alone;
 For the cheerful grin
 Will let you in
 Where the kicker is never known.

Growl, and the way looks dreary,
 Laugh, and the path is bright;
 For a welcome smile
 Brings sunshine, while
 A frown shuts out the light.

Hustle, and fortune awaits you,
 Shirk, and defeat is sure;
 For there's never a chance
 Of deliverance
 For the chap who can't endure.

Kick, and there's trouble brewing,
 Whistle and life is gay,
 And the world's in tune,
 Like a day in June,
 And the clouds all melt away.

Faith, Hope and Charity certainly have their place in the Senior's life. Faith in everything, hope that he won't flunk, and charity on the part of the faculty.

INTRAMURAL ATHLETICS.

also be given to the winner of each event in the swimming races and the track meet. In all a total of over a hundred medals will be awarded this year to the winners in interamural athletics. In addition to the medals awarded to members of winning teams, there will also be distinctive medals given to the three men having the largest number of points at the end of the year. Thus it will be possible for a man to be on a large number of second-place teams and still get a medal.

The intramural sport program is moving along nicely at present, with basketball nearly over, tennis singles well under way, and large numbers of men out for volleyball. The cross-country meet will be held in December so it is not too early to start training for it now.
