

FINANCE CLASS MAKES TRIP TO HOUSTON

About fourteen or fifteen members of the Senior class had the pleasure of a short inspection trip to Houston this last week-end. Dr. V. P. Lee, head of the department of Marketing and who conducts the senior class in Agricultural Finance, supervised the class' trip of inspection of the banking system of Houston.

The party left College Station Thursday afternoon, and Friday was spent in visits to the Federal Land Bank and to the First National Bank of Houston. The return trip was made Friday night. The visit was instructive as well as enjoyable to everyone in the class.

Finds Right Tobacco for the Tropics

Gentlemen:

Most all well-known tobaccos smoke well in a cold or temperate climate, but very few in a tropical climate. They are mostly too heavy, don't seem to be blended right—at least that is my opinion gained from practical experience.

However, Edgeworth is the same in any climate. Again that is my opinion gained by practical experience.

I cannot get the same pleasure out of any brand of tobacco that I can out of Edgeworth, and I have tried many—and paid fancy prices, too. It costs real money to smoke imported tobaccos here; the import duty is very high.

Anyway, we cannot have everything we would like in these countries, so we hold on to all the little pleasures possible. Now you know why I smoke Edgeworth.

Yours respectfully,
R. C. Rigg

DR. DURANT WILL SPEAK BEFORE LARGE AUDIENCE

After drawing record crowds in most of the larger cities of the United States, including Dallas, Will Durant is reasonably expected to have one of the largest audiences assembled in College Station this year when he speaks here on the evening of Monday, February 16. Dr. Durant will speak on the subject of "Our Changing Morals."

Since coming into prominence as the writer of "The Story of Philosophy," Dr. Durant has written for a large number of the magazines of the day and has also made himself popular as a lecturer. He is now on a lecture tour which has done much to bring him into popular favor. He has drawn large crowds in the cities, having spoken in Dallas to the largest audience ever assembled in that city for a lecture.

Much interest has been shown in the coming of the lecturer, both by the student body and by people of the adjacent cities. This affair is being sponsored by the Science and Social Science Seminar, and has been approved by the entire faculty of the college.

DEBATING TEAM

(Continued from Page 1)

The Affirmative was taken by the California men, Messrs. Stewart E. Strong and George Manchass; the negative by Messrs. H. B. Boswell and Leslie of this college. The debate was held with a no-decision agreement.

The visiting participants, Strong and Manchass were both eloquent speakers, with a background of wide experience as debaters. They are at present traveling over the nation, taking all comers on all questions, and taking no choice as to sides on which they debate.

Interest in this sort of contests is growing on the campus and it seems that our debating teams are developing rapidly.

STUDENTS MAY PAY POLL TAX

(Continued from Page 1)

voting this summer as to the requirements for their poll taxes. A tax receipt from Brazos county would only allow an absentee vote for the general election.

Any boy who has become 21 since the first of January, 1927 is eligible to vote without paying poll tax provided he has obtained exemption certificate from the Tax Collector of his home county. All who are older than this are required to have a poll tax receipt. This must be paid before the last day of January 1928, to the Tax Collector of the county in which you reside.

INTERESTING MOVIE SEASON AT ASSEMBLY HALL

The Aggies are assured of an interesting picture season at the Assembly Hall next term as the schedule shows a variety and quality of specials, feature comedies, and shows.

February starts the season with a bang. On the first comes Beau Geste and later during the month, Get Your Man, Judgment of the Hills, It, Birth of a Nation, Drums of the Desert, Unknown, After Midnight, Wild Justice, Tillie the Toiler, and the usual good comedies and news reels.

The schedule for the rest of the term is as varied and as interesting. As special features of interest are of-

fered Chang, 12 Miles Out, Beau Sabreau, Rough Riders, The Better Ole, Garden of Allah, and Annie Laurie.

Other pictures which are scheduled to appear during the term are Spring Fever, the Fair Co-ed, Hula, Man Woman and Sin, The Underworld, The Eagle, The Beloved Rogue, Jesse James, Barbed Wire, Adam and Evil, Sparrows, and The General.

To the Sweet Little Thing Back Home

Oh sweet was our parting kiss my dear

Oh sweet was our last embrace
Oh sweet was your lingering tear
dewed smile

Oh sweet was your darling face,
You murmured in my ear "I love you"
Your eyes told me that you'd wait.
Your warm hands wandered through
my hair

'Twas the night I stayed so late.
You whispered that you would be true
As I forced myself to go
And your last fond words as I closed
the door

Were "Oh! I love you so."
Perhaps you do—how should I know
The vagaries of your mind,
But this I've learned and learned right
well

Just what you are and what kind.
My room mate's got your picture
You write to five friends of mine
The whole D..... company knows
you

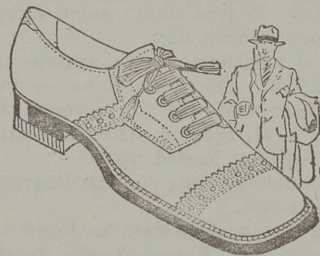

And talks of your wonderful line.
Oh long may you flap little woman
And hand out your charming line
For nobody knows but the devil
Whether your line's better than mine.

The Question Grows Interesting
