**First everywhere**

A recent questionnaire gives Lifetime<sup>o</sup> pens an unquestioned first in forty-one per cent of America's leading schools—leaving fifty-nine per cent to the rest of the pen makers. Here are the reasons: real economy through the lifetime guarantee of faultless service; surpassing beauty, and a nib which at once responds to **LIGHTEST TOUCH** yet is capable of making three clear carbons of notes, letters and confidential papers. With the Titan pencil it makes the college equipment of efficiency.
