I seen a body of such fine young men actually exert themselves to see that we were treated royally. The ovation they gave our team before the game was thrilling and the manner in which they showed they were real gentlemanly sports asserted itself after the final whistle when they took the Gentlemen on their shoulders and carried them to the clubhouse. I shall never forget it and it will always be a credit to your very fine school in the minds of us who accompanied the Gentlemen.

Also, I would not dare forget to mention the great team your coach has banded together. I feel safe in saying they will hold their own with any team in the country. A very fine bunch of boys who play clean, hard and are game in defeat as florid as they must be in victory.

It is my wish that I can see another game in Kyle stadium this year with the Aggie playing some

other conference team. Please extend to Mr. Johnson, (a student) my sincere thanks for the kind treatment he accorded me and my brother in showing us the campus, buildings and giving us as much history of the school as he did.

With very best wishes to the Aggies,
