

Happy Moments

When you have a date for a hop, after working so hard at the office your feet beg you to stay at home.

And for the first time you slip on that STUNNING pair of Florsheims you've been saving for the occasion.

And after dancing for hours straight your Florsheims still feel cool and comfortable—man!—your whole evening is just one long happy moment!

A shoe must have the trim style to please a fellow's taste—but no man wants to sacrifice comfort, either! Solid comfort counts for so much in Florsheim shoes that for the man who has learned to insist on Florsheims, their great good looks and extra mileage is just so much velvet!

Basset coached line that A. & M. saw and they are devoting especial attention to the line prospects. With the squad cut down to its present size, the coaches can give more attention to the individual needs of the aspirants. The Freshmen players are given fine opportunity to demonstrate their prowess in work-outs against the Varsity team. While one squad of fish players scrimmage the Varsity, the other is learning the formations of the next foe in line to clash with the Varsity.

Many of the Freshmen players are giving indications of becoming good material for the Varsity squad and there is every good reason to believe that this team will benefit

the Varsity more than the great Fish teams of 1626 and '27. The Fish squad is exceedingly strong in line material, and that is the sweetest thing Basset can think of. Coach Bible will not find many stars for the backfield when they graduate to the red jerseys, although he will have two fairly strong men. The outstanding backs on the team at the present time are: Clark, All-state from Marshall and '31 numeral man; Dansby of Bryan; Vanderlain, Farrier, Snyder, Davis, Sebesta, Harling, Reece, and Tipton. The coaches have not been able to locate a field general but are doing their best to uncover one.

The line material is more imposing and will give more strength to the Championship hopes of the Aggies next year. The following line-men have been showing to advantage: Ends: Hill, All-state end from Waco; Mosher, Bell, Foster, and Corneilson. Tackles: Fisher, Dawson, Walker, All-city man from Dallas; and Molden. Guards: McGrill, All-state from Marshall, Golisinski, All-city Houston linesman, Christian, All-state, and Lego. Centers: Abbey, Jones, and Braswell. The line is weaker at the pivot point, but exceptionally strong every place else.

Mr. Sullivan treated the Fish to a trip to the Texas-Rice football game in Houston Saturday. The fish not only received the needed rest, but actually saw the plays they are to run against the Varsity in preparing for their next important tilts.

The annual game between the Fish and Allen team may be put on the shelf this year and the strong Blinn Junior College team substituted.

Jack: Yes, lots of it, but it's all weak.

Hortense: What happened to you? Were you in a wreck?

Harry: No, I was being shaved by a lady barber and a mouse ran across the floor.

One reason we are glad election day comes before Thanksgiving is because we will have more to be thankful for.

What Shakespeare says about Coca-Cola

MEASURE FOR MEASURE Act III, Scene I

"The hand that hath made you fair hath made you good" ~

Obviously, the Duke meant the lady—not Coca-Cola. But why bring that up? Translate it into plain United States, and you get:

IT HAD TO BE GOOD TO GET WHERE IT IS

8 million a day
