R. V.'S ELECT JUNIOR MEMBERS

Election Brings Company to Standard Size.

Last Sunday evening the Ross Volunteers elected 50 members of the Junior Class to their organization, thereby bringing the roster of the company up to normal size. Doubtless many of these juniors are aware of their nomination due to their very warm congratulations. Each of the old men was allowed to put up

SOPHOMORES ELECT CLASS OFFICERS

Last Saturday afternoon the Sophomore class held their first meeting for the purpose of electing officers for the 1928-'29 session. The meeting was held in the "Y" chapel with the Senior election committee in charge. The class was very poorly represented, having only about one-fourth of the Sophomores present. The regular system, the 'Hat Cord' ballot, was adopted early in the meeting and continued through the session.

The class elected the following men to the various offices for the present school year: R. N. Winders, Houston, an outstanding man on the varsity Cross Country Squad, was

RESOLUTIONS ON THE DEATH OF LOGAN VARLEY.

Whereas, God in His infinite wisdom, has called to his last resting place, Logan Varley, one of our classmates;

Therefore, be it resolved by the junior class that we extend to Mr. C. W. Varley, and other members of the family our sincerest sympathy in their hour of bereavement.

Be it further resolved that a copy of these resolutions be sent to Mr. C. W. Varley and family of the deceased, a copy to The Battalion, and a copy to the Whitesboro newspaper.

LESTER HANKS,
President Junior Class.

IN MEMORIAM

LOGAN VARLEY

The pain-sweetened notes of Silver Taps Sunday night bewailed the loss to our campus-world of a member of our group, a part of the whole that makes up our lives. Not only that, but also the loss of an individual, an unit which can never be duplicated or replaced. And to his father and brother, to his roommate and the men in his company, even to his mere acquaintances, it spoke of a more poignant grief, of a loss more deeply felt. This sincere grief we join, and these bereaved ones we wish to offer whatever consolation we may.

Logan Varley, of Whitesboro, a Junior in H Company, Infantry, enrolled in the school of Agriculture in the department of Agricultural Administration, died in the college hospital at 8:45 Sunday evening, after a brief but severe seige of pneumonia. His father, W. H. Varley of Whitesboro, was present at the time of the boy's death.

A firing squad, commanded by Claire Smith, and six pall bearers, Varley's former classmates, were sent by his company as a guard of honor at the funeral, which took place in Whitesboro Tuesday morning.

To the father and brother, and to the friends and acquaintances of Varley, we offer all condolence that may be given in their great loss. Time alone can dull the pain it brings—the loss itself is irreparable.

ANDREWS TO PRESS MEET AT PURDUE U.

E. L. Andrews, Editor-in-Chief of The Battalion, will leave the College on November 14 to attend the annual convention of the National College Press Association to be held at Purdue University at Lafayette, Indiana. The Battalion will be registered as a member of the Association for the remainder of the year.

The aim of the Association is to form a national collegiate news bureau, and also to form an alliance of all college papers for the purpose of unified action on important questions dealing with college papers. Formerly, the Association was open to both college newspapers and college annuals, but owing to the large membership the annuals had to be omitted. Buck Morris and Raymond Bradford, editors of The Battalion and The Longhorn last year, attended the meeting of the Association last year, which was held at Oklahoma University.

The entire meeting this year will

THANKSGIVING HOP COMMITTEES NAMED

At a meeting of the Senior Class on November 4th, the chairmen of the various committees which will have charge of the Thanksgiving dances were elected.

The old custom of having six committees work on the dances was supplanted by a motion to have only four committees, these four being the Finance, the Decoration, the Music, and the Arrangements Committee. It was also decided to make the chairman of the Finance Committee the general chairman of the dances.

Ever since the A. and M. football teams have been playing in the Southwestern Conference, it has been the custom for the student body to give the football players a dance during the Thanksgiving holidays. When the game with Texas U. is played at College Station, the dance is given on Thanksgiving night after the game. But when the game is played at Austin, the dance is given on the Friday night following
