

AGGIES WIN TWO FROM OWLS

TENNIS TEAM WINS FIRST OF SEASON

HERE AND THERE

Tom Mills was not jerked from the game last Saturday because he was not going good—but, to keep him from hurting his arm. He is one of the most promising pitchers that has been on the Farmers' Staff in many seasons.

The eligibility burden did not hit the squad as hard as was first thought. Most of the men proved to be up in their work, for which we are thankful.

The wins from the Owls will only serve to make the men more confident, they need encouragement—with the breaks not against us we will indeed finish nearer the top than was prophesied.

Freddie Weston, the "San Tone Kid" is going mighty good and it looks as tho he will plug the hole at third base.

The first week of April brings the Aggie nine a full week when they engage the Waco Cubs of the Texas League in a two game series and the Notre Dame Micks on Saturday. Last year the Aggies were nosed out 3-2 in a hard ought game, the Cadets securing more hits than the Texas Leaguers. The Aggies and Cubs meet most every year and each time they meet a lively battle ensues and these games will be no exceptions.

For the first time an Aggie team will meet a representative of the famous football school. Several years ago the Micks did not boast of a real ball team, but of late they collected one and this encounter for Saturday is far from on ice. The Ramblers are attempting to get in shape for a strenuous season at home and are making an attempt to win all their starts on this trip and they are doing a fine job. While the Irish hope to win their one game here, they may be surprised at the offerings of Coach Countryman's hurlers.

RESULTS OF THE PAST WEEK

Aggies 8-14, Rice 2-9.
Texas 6-9, T. C. U. 3-4.
Baylor 3-13, S. M. U. 2-2.
Daniel Baker 4, T. C. U. 0.
Texas 6, Northwestern 5.

AGGIES MEET TEXAS IN DUAL MEET

Coach Andy Anderson and his thinny clads will journey down to Austin for the first dual track and field meet next Saturday. In the relay carnivals at Austin and Dallas, the Aggies were greatly handicapped by a few injuries and were not possible to present their true strength in dashes and relays. Nevertheless the Aggies did take fourth place in the one mile relay.

Looks like Badger, dash and relay artist, will be able to compete in the dual meet and the Aggie chances for a win over the Longhorns is considerably brightened. Badger has been forced to stop work because of a pulled muscle and now he thinks that he can again carry on. Badger has had some misfortune each year and old lady luck should camp on some one else and let this athlete do his stuff.

Looks like Leo Baldwin will win the discus throw. He set a new meet record with a heave of 144 feet and 10½ inches. Bracy looks as though he might win the 100-yard dash. Merely broke the world record at Dallas. This runner has a brother in school who is running the century around 10 flat. Looks like the Institute will claim the dash event for some years to come, unless the Aggie mentor can dig up another Padlock. Leland of T. C. U. ran third in the century at Austin and the Rice runners third in the 4 mile relay. The Aggie field men did much better at Dallas.

Coach Anderson announced that he would enter men in all events. It will be interesting to see how our field men compare with the Texas bunch. The Aggies have no exceptional track candidates; but every one of them is capable of placing in a meet. Coach Anderson does not expect to win so many firsts in the conference meet, but does expect to take most of the second and third places. The Aggies should be the class of the conference in the hurdles, relays and jumps.

This is one sport on the Aggie calendar that receives less support than any of the minor sports. Lets talk to those track men, encourage them. It is hard work running every day and with only one meet in mind. A few words will do a heap of good

AGGIES WIN 5 OUT OF 6

The Texas Aggie Net Team opened their 1929 season, Saturday, March 30, by decisively defeating the Oklahoma A. & M. Team. The Texas Farmers made a clean sweep of the single matches and dropped only one doubles match. The final score was Texas A. & M. 5, Oklahoma A. & M. 1.

The matches were exceptionally fast and hard fought, at time brilliant and flashy tennis was displayed. All the matches went the limit of three sets, except when Joe Hyland, Texas A. & M. captain defeated his opponent in straight sets. The scores by the matches were as follows: Singles—Marion Stockton, Okla., captain, was defeated by Joe Hyland, Texas, 2-6, 6-8. Glen English, Okla., no. 2, was defeated by Arthur Storey, Texas no. 2, 6-8, 6-3, 3-6. Oklahoma man no. 3 man, Arnold Samallish, fell to Frank O'Brannon, Texas, 8-6, 3-6, 4-6. Harry Abernathy, Okla., no. 4, succumbed to the racquet of Jim Rutherford of Texas 9-7, 0-6, 5-7.

Doubles—Oklahoma no. 1, Stockton and Smallish were overcome by Storey and Hyland of Texas 3-6, 6-4, 4-6. Oklahoma no. 2, Abernathy and English defeated by Kelly and O'Brannon 7-5, 3-6, 5-7.

Tennis in the conference gets under was soon and it looks as if the Texas Aggies will have an unusually strong contender for the title. The tennis displayed last Saturday showed that the Aggies have a well balanced team with plenty of stamina that should carry them far into the realm of tennis glory and many victories.

WHERE THEY PLAY THIS WEEK

Baseball

April 2-3—Aggies vs Waco at College; Rice vs Northwestern at Houston.

April 5-6—Texas vs Rice at Houston.

Track

April 6—Aggies vs Texas at Austin.

STANDING OF TEAMS

Club	P	W	L	Pct.
Texas Aggies	2	2	0	1.000
Texas U.	2	2	0	1.000
Baylor	2	2	0	1.000
Rice	2	0	2	.000
T. C. U.	2	0	2	.000
S. M. U.	2	0	2	.000

YOUNG AGGIE TEAM SPECTACULAR

Coach Bob Countryman's hustling Aggie nine drubbed the Rice Owls in the two opening conference games at Kyle Field last Friday and Saturday by impressive scores, 8-2 and 14-9. The Aggies looked much better than anyone expected them too and consequently made the feathered tribe look like ping pong players. The Aggies played headsup ball both games and this is the wherefore that so many runs were scored on so few hits. In the initial game the Owls outhit the Aggies 10-7, but only two of the Owl's hits counted, they were home runs. The Aggies hit when a bingle was needed and how they did run those bases.

Cop First Game 8-2

The winning pitcher of the first game was Prexy Walton, who with the aid of one of his Deans as umpire struck out Dean Friley with three consecutive strikes. Col. Nelson was behind the bat and looked like a real backstop, only he just couldn't seem to stop those rollers. Prexy threw in the direction of the plate. Evidently President Walton wished to show a few of the youngsters a few tricks, he didn't use his glove except to hide the ball; he just let the ball roll up his leg just like a trick ball player.

Max Kasprowitz, though giving up 10 hits, kept them well scattered and was never in a hole. Dickinson and Austin both connected with home runs but no one was on to aid the cause. The Aggies hit in every inning except the eighth, but secured 2 in the fifth to make up for that. Fine base running and timely hitting was the real cause for the Aggie victory. Ables pitched good ball, but the many mis-plays and errors were very costly and usually netted the Aggies a few tallies. Gill, Johns and Bray were the outstanding Aggie stars in the field. Bray accepted five chances without an error and several of his catches were thrillers. Johns took seven chances with one error; when that ball starts toward the short stop, the runners may as well turn for the bench. Martin and Bell wear the Aggie sluggers for the day. Martin got three bingles in four trips to the plate and Bell accounted for two hits and three
