

# FARMERS SPLIT WITH FROGS

## TRACK TEAM CONTINUES TO WIN HIGH SCHOOL TRACK MEET THIS WEEK END

### HERE AND THERE

The Aggie Nine has five men on the club hitting three hundred or above.

Some things and people around here can be taken too seriously—they are only saying things to see how they will sound, more like the Parrot every day.

We have been advised not to make certain remarks about the game last Friday. The players were more depressed over the loss than anyone.

There is a certain class of people that fall down and go Boom—other just fall down.

Letters commenting on this season's nine are being received. Some of these are very worthy; and some week when we can't work up any thing to say we are liable to hold forth on a sort of an old home week and publish them.

Things aren't as gloomy as they seem; we still have a fighting chance—don't go boom.

Two score years ago—less thirty eight, someone used the expression that Coach Anderson was very much elated over his track prospects. He says that its going to be a close fight but give him a few men like Capt. Dan, Slocumb, Sessions, and others.

Rice has it all figured out so that they are to come out on top—we can't use their calculations, sorry.

### RESULTS OF LAST WEEK'S GAMES

#### Baseball

Aggies 2-2-3—Texas 2-0-7.  
Texas 10-10—S. M. U. 1-4.  
T. C. U. 5-11—Rice 3-12.  
T. C. U. 3-1—Baylor 2-3.  
Rice 7-14—S. M. U. 5-8.  
Baylor 7-8—Texas 5-3.  
Aggies 3-9—T. C. U. 5-8.

#### Track

Aggies 69—Rice 48.  
Simmons 74—T. C. U. 43.  
Baylor 86—T. C. U. 31.  
Texas 87, S. M. U. 39, Baylor 36.

### AGGIES HOT IN S. W. C. TRACK RACE

The Texas Aggie track team, one of the ranking favorites to cop the Conference championship this year, carried the gospel of Aggieland athletics a bit further into the hearts of Houstonians a week and a half ago when they sent the Rice Institute Owl runners and jumpers down into defeat by a 69 to 48 score. A torrential downpour the night before made the track and field exceedingly heavy, but did not prevent the keenest sort of competition from taking place.

Don Slocumb and Herman Harlan took care of the lows and highs respectively in fine style, with Hodges and Tracy bringing home the breakfast in the quarter. The mile relay team (O'Neill, Hodges, Tracy, and Sessions) easily showed a muddy pair of heels to the feathered flock's output. The firm of Bracey, Brunson, Jacobe, and Willis, however, cleaned up on the sprints and distances for the Owls.

### RELAY MEN BACK FROM KANSAS

Dashing Dan O'Neill, debonair captain of this year's track edition of the Texas Aggie track team, Greenville's ideal, and holder of many other like honors, gained fame on new and far distant fields this past week-end. It all started when Coach Andy packed his mile relay team in his car and started for Waco to catch the train to Lawrence, Kansas, and the Kansas relays.

Near Marlin the car brushed against another such vehicle to begin things. Then in Oklahoma a small boy (Dan swears that it was an Indian escaped from the reservation and on the warpath) tossed a rock through the window of the observation car landing uncomfortably between Dan's shoulder blades and giving him an unlooked for shower of flying glass.

In Kansas a fair damsel offered to give the boys a lift to the hotel. Some of the Kansas boys also accepted the offer, but these were lost

### INTRAMURALS

Playground Ball—Horseshoe Pitching—Swimming

The intramural department entered upon its busiest period of the intramural season with the opening of the Intramural playground ball leagues last week and the largest participation record for any sport since the introduction of the intramural program at A. and M. is expected in this popular game. Last year more than four hundred participated in the contests conducted by the intramural department and the interest was so great that another set of leagues, known as the Class "B" leagues, have been instituted to care for the increasing number of players. These leagues will make it possible for at least three hundred more students to take part in the recreational program sponsored by the athletic department. Seven diamonds have been placed on the drill field and these will be used each day for games. Teams wishing practice fields may go to Kyle Field where there are four diamonds on the Freshman football field. The class "B" leagues will be started about the middle of the week.

Horseshoe pitching is due to begin April 29 and the following Saturday the swimming meet will be held. Horseshoes have been issued to each organization and teams should be selected now as a list of the members of the teams must be turned in at the intramural office before the leagues open.

No members of the A. and M. Swimming Club will be allowed to enter the annual splash sponsored by the Intramural department. The students could not possibly compete with the best swimmers in the South and expect to even place, so these swimmers have been barred and is open to all other students of the college.

The volleyball leagues have closed and the finals remain to be played. A very successful season has been reported this year and this sport promises to be very popular in the future, as least when more learn to play the game.

Five teams remain in the race for the handball title and the championship of the school will be known by the end of the week. A singles and doubles tournament will be started

### AGGIES WIN SECOND OF SERIES

The absence of the Cadet Corps in the stands was very noticeable in the score of the Frog games, Countryman's nine seemed to be dead on their feet and were slow in getting off. A large amount of this was probably due to the fact that the band was not on hand, and the spectators were of the more reserved type.

#### First Game

Mills started duty on the mound for the Aggies but was only able to stay a part of two innings. He was wild, and in that time gave the opponents four men on base on balls.

Kasprowicz relieved Mills late in the second. There were two men on base and another walk loaded them. The side was retired after they had scored two runs.

Things went along very smoothly until the fifth when Lackey doubled to deep right and was scored by Kasprowicz's single.

The Frogs came back for another run in the sixth and again in the seventh.

A. & M. made their other counter in the eighth when Bell doubled and was scored by Cody's single.

Bell and Lackey led the Aggie offensive for the day; both appearing at bat four times and getting two hits each.

The score ended: Frogs 5—Ags. 2.

#### Second Game

The batteries for the second game were: Ags.—Wendt and Lackey; T. C. U.—Cox and Walker.

Wendt, the little Aggie Southpaw, was due for a hard day when an error allowed the first frog to face him to get to first. A man was hit by a pitched ball another walked. The Visitors were retired after they had took off a four run lead. They scored again in the third, twice in the fourth, and once in the ninth.

The home club managed to put across three counters in the first when Johns doubled, Conover singled, and Bell slapped one out for one sack, all men scoring. Cody's sliding pad flopped into a pitched ball and he took first, advanced to third, and was caught in a forced play at the plate, the batter was also thrown out, giving the Frogs credit for the only double play of the series.

Rechinberg relieved Wendt in the fourth and managed to keep the bits
