FISH BEAT BLINN

Coach Roswell Higginbotham's Aggie diamond hopefuls nosed out Coach Siki Blinn College Nine last week in two hotly contested games, only to weaken and allow enough runs to sift in to sew the game up for the Fish.

Thus far Coach Sikis proteges have been unable to put across a victory over the Fish, losing one football game, two basketball games, and now these two baseball games.

Both games were featured by ragged playing on the part of the Fish and excellent pitching by Handley, Wallace and Hunter. Handley could get no support in the first game, all of Blinn's runs coming in on two scattered hits. His luck was very good, after striking out four men, one run comes across the plate. He was relieved by Wallace, ace of the club, who did not allow a safe bingle for the five innings. He struck out 10 men.

The second was a carbon copy of the first. Ragged playing, poor support, and Lagow goes to the showers with Hunter, only port side flipper on the Fish squad, replacing him and doing the same as Wallas in the previous game. He got 15 strike outs in seven innings, but allowed 4 hits and 4 runs.

The Fish did not show their real strength in these two games. They seem to have out three good pitchers, a couple of fair infielders and one or two out fielders. They should materially strengthen Bob Countryman's 1930 diamond edition.

The fish have a couple of return games with the Blinn Bulldogs and a couple games with the Allen Academy and their season will be closed.

Southwestern Conference championship golf tournament will be played on May 16, 17 and 18 in Fort Worth, announcement has been made. Aggie land will be represented by a team of five, to be announced later as a final selection has not as yet been made.

NETMEN BEAT RICE AGGIES-S. M. U.

SPLIT PAIR

The Aggie tennis team, mixing a little real fight with their inherent ability, furnished the Aggie land athletic surprise of the week last week when they downed the feathered proteges of Rice Institute by winning four out of the six matches played. Coach Thomas surprised the owls a bit when he shifted Rutherford from No. 2 position to No. 1 and changed Hyland to Rutherford's vacated place. This was just enough to put over the winning touch.

Summary: O'Bannon (A. & M.) defeated Logan (Rice), 6-2, 6-4; Appell (Rice) defeated Rutherford (A. & M.), 6-3, 6-1; Hyland (A. & M.), bested Hess (Rice), 4-6, 8-6, 6-3; Storey (A. & M.), defeated Schwarz (Rice), 8-6, 2-6, 6-4; Appell and Hess (Rice) defeated Hyland and Storey (A. & M.), 6-1, 6-3; Kelly and O'Bannon (A. & M.) defeated Logan and Schwarz (Rice), 3-6, 6-2, 6-1.

The Farmers will travel Austin way on May 16, 17, 18 to see who is "Daddy" in the conference chase. Texas University seems to be the best bet to cop the floating felt, but when the Aggies enter something the result isn't generally known until the last whistle, or rather, in this case, until the last serve.

Coach Bob Countryman's fighting Aggie Nine took advantage of the Mustang's ragged playing in the first tilt of their two game series and got off to a flying start when they slugged their way to a 15-3 victory. But the Mustangs came back fighting the second game and nosed the Farmers out in an eleven inning duel between Kasprovicz and Liles. This surprise set-back considerably darkened the championship hopes of the Aggies and the Rice defeat made thing much more gloomy in the Aggie camp.

In the first slug-fest Bo Brammel was the hitting ace for the Aggies, socking out two home runs and a single in five trips to the plate and scoring three runs. Cody got a triple and a single in four times up and crossed the plate twice. Bill Johnne counted three times, but his bingles just wouldn't go for hits.

The second affair developed into a regular old time pitching duel and went two extra innings. Kasprovicz weakened in the eleventh frame and gave up two hits which netted the one run to sack the game. Johns, Conover, and Martin divided the hitting honors in these games, each got two bingles apiece. Gill Johns was particularly outstanding when he accepted nine chance without an error.

Frogs Drop Two to Aggies

Saturday's loss at the hands of the Mustangs did not set well with the Aggie Nine and the Froggies paid off, dropping both games to the Farmers, 5-4 and 6-0. Pete Wendt got his second shut out victory the second game when he held the Frogs scoreless. He did the same for Texas once before at Austin this year.

In the first game Bell again led the attack and secured two bingles in four trips to the plate. Captain Lackey and Bray did likewise with their clubs. Walker, ace of the Frogs, failed to keep the Aggies from hitting while Mills held them with seven very scattered bingles.

The Aggies' only port side flipper showed his skill in the second game and let the Jumping Frogs out with three very scattered hits and exactly no runs, running his

MEN IN FINE CONDITION

Captain Dan O'Neil led his mates to two well-earned victories last week, taking S. M. U. into camp on Monday, and the Texas Longhorns on Saturday. The showing made in both the meets were very encouraging to Aggie partisans, as the chances of winning the conference championship were materially brightened by the performances turned in.

The Texas meet marked the passing of Hershel Burgess, who ran his last race Saturday, though he had not worked out for three weeks, because of his school work. "Battlin' Burge" has given all he had for A. & M. for three years, and his passing will be regretted by all who have watched him in action. It may be safely predicted that many moons will pass before we will have another man like this "tough bebbey" from Hale Center.

Aggies 104; S. M. U. 27

The Farmers swamped the Mustangs on a heavy track on Monday, and so one-sided was the affair that the chief interest was in the performances turned in. "Bull" Floyd threw the javelin ten feet better than the conference record to win this event. His mark was 203 feet, while the record is 193. "Hard-luck" Badger won the quarter in his first appearance this season. He has been injured since the first of the year, and his showing was encouraging to Coach Andy. Bob Graham, another cripple, took second in the 100, and third in the 220; and if he does not have any more hard luck, he will probably score in the conference meet. The Aggies took all three places in the 100-yard dash, the 220-yard dash, and the quarter-mile.

Summary:

100-yard dash: O'Neil, Graham, Emmons, (all A. & M.). Time: 10 1-5.
