INTRAMURALS

With practically all competition ending in the near future, the Intramural department is about to close one of the most successful seasons ever enjoyed. The track meet has been announced for Saturday, May 18th., at 3 p. m. The events included in this meet will be as follows: 100-yard dash, 220-yard dash, 440-yard dash, 880-yard run, mile run, 120-yard high hurdles, 220-yard low hurdles, high jump, pole vault, discus, shot put, broad jump and javelin throw. In the field events the men may take their three trials at any time during the afternoon, but in the pole vault and high jump the contestants must keep up with the rise of the bar. This will allow the men to enter both field and track events. All men are requested to meet in the north stands of Kyle Field at 2:40 p. m. so that they may be given instructions regarding the procedure of the meet. Each organization will be given 50 points if they have men entered in half the events, but the men must participate to get these points. The winner of each event will be given the official Intramural medal.

Swimming

The annual intramural splash will be held in the Y pool the following Saturday week, May 25th. Events

in this meet are as follows: 40-yard free style, 40-yard breast strokes, 100-yard free style, plunge for distance, and fancy diving. As in track, 50 points will be awarded each organization for entering men in half of the events and the winner of each event will also be given the official Intramural medal. No members of the Swimming Club will be allowed to compete in this meet, so all you near-goods start getting wet and enter this meet.

The handball courts have finally been cleared and the finals of the meet may be run off. Teams in the finals are requested to start practicing as the tournament will be resumed Monday. The singles and doubles tournament will be started immediately and the best players of each organization should begin practicing so as to enter this tournament for the champion of the college.

The Tennis tournament has been trailing along for some time and all the men entered are requested to go to the Y and see who you are matched to play and make arrangements to play this immediately. If this is not done, your match will be forfeited and the play resumed.

The same goes for golf too. The tournaments must be finished the next fifteen days and the intramural department is anxious to get these contests closed.

ENGINEERS SEE THINGS  
AND MEET PEOPLE

On the Wednesday before R. V. holidays the junior students in E. E. visited Houston on an inspection trip. They were shown through the Deep Water Station, one of the Houston power plants; the Texas Portland Cement Co., and the Texas warehouse of the Carnegie Steel Co. They were also taken out into the turning basin and witnessed a fire boat in action. The seniors left Monday night for Dallas where they attended the A. I. E. E. Convention for the southwest.

The C. E. juniors and seniors left for Waco the Monday after R. V. to visit on an inspection trip the Atlas Portland Cement Co., a \$5,000,000 plant under construction, and the Bosque Dam, and the Central Texas Auto Works. They were given a banquet by the Waco A. & M. Club. The seniors went to Dallas Wednesday to the state A. I. E. E. Convention.

The Ch. E. juniors and seniors left the Monday before R. V. for Corsicana on an inspection trip, where they visited the Magnolia Refinery. Tuesday and Wednesday they spent in Dallas, going through the city water works, Proctor and Gamble Co., Planter's Cotton Oil, Brown Cracker and Candy Co., and the Lone Star Portland Cement Co.

The textile engineers left the Monday before R. V. for Houston, visiting the Oriental Mills, the Jute Mills, and several others. From Houston they went to Santone and New Braunfels, going through various mills and the famous power plant located at New Braunfels.

Drink  
**Coca-Cola**  
Delicious and Refreshing

**PAUSE AND REFRESH YOURSELF**

WHOA!  
HOLD EVERYTHING.  
HERE'S A LITTLE  
EXTRA-CURRICULAR  
DEMONSTRATION OF  
A PAUSE THAT'S GO-  
ING TO NEED PLENTY  
REFRESHMENT.

But you don't have to fall off a polo pony to demonstrate the pause that refreshes. Every day in the year 8 million people, at work and at play, find it in an ice-cold Coca-Cola—the best served drink in the world—the pure drink of natural flavors that makes a little minute long enough for a big rest.

OVER
