

AGS DROP TWO; TEXAS TRACKMEN TO NATIONAL MEET SWIMMERS CLEAN UP AT GALVESTON

HERE AND THERE

We hope no one doubts the fact that this college seriously needs an all-time baseball coach.

The Intra-mural Department will hold its annual swimming meet next Saturday. The events will be:

- 50 yard free style.
- 50 yard breast stroke.
- 50 yard back stroke.
- 100 yard free stroke.
- Fancy diving.

There will be three dives required and one optional. The required dives are: front, jackknife and back.

The swimming team has received offers to place them for the summer. It is very unlikely that they will accept.

FINAL CONFERENCE STANDING

	P.	W.	L.	Pct.
Texas	20	16	4	.800
Baylor	16	12	4	.750
A. & M.	15	9	6	.600
T. C. U.	20	8	12	.400
Rice	20	7	13	.350
S. M. U.	19	3	16	.156

RESULTS OF LAST GAMES

Texas 3-5; Aggies 1-2
 Texas 11-13; Rice 10-2
 Baylor 7-8; Rice 0-1
 T. C. U. 19-4; S. M. U. 3-0

INTRAMURALS

COMPANY H—BATTERY D TIE FOR INTRAMURAL TRACK CHAMPIONSHIP

Battery D tied Company H, winner in '28, for high honors in the annual Intramural track and field meet staged last week on Kyle Field. Company H led all the organizations until the last event was turned in and Battery D managed to find enough points to equal the 26 that the Infantrymen had piled up. Troop C came third with 22 points and was

SWIMMERS SPLASH TO WIN

Texas Aggie 100 yard relay swimming team cut four seconds off the National Y. M. C. A. record Saturday night in an exhibition swim staged in the Houston Y. M. C. A. pool. The team, Suggs, Cox, Sproule and Homason, covered the distance in 47:5. The old record was 51:2.

Sunday the Cadets again copped first honors in the annual Gulf Coast swimming championships held annually at Galveston, bringing back to Aggie a handsome 12 inch silver loving cup for their pains. This trophy is to be the permanent possession of the swimming team. This is the second time in three years that A. & M. has placed first in this meet.

The Aggies accomplished the deed by winning 42 out of a possible 63 points. Herman Cox, coach, placed second in the 50-yard dash with N. C. Starr third. Curtis Everts and A. A. Sproule finished in the order named in the 100-yard affair, while Sproule was first and Everts second in the 220-yard race. The 100-yard race was covered in 56:5, a new Gulf Coast record. Everts also emerged first in the half mile swim, besting the pride of Galveston, Leroy Colombo in this event.

Dan Humason followed Evert's example and set a new Gulf Coast record in the 100 yard back stroke race, covering the distance in 60:8. Carl Clardy, a former Aggie swimmer but now with a Galveston surf club, placed second. R. C. Suggs finished first in the breast stroke, Humason placing second. N. C. Starr and R. C. Rucker took first and second respectively in the fancy diving class.

This is the fifth swimming meet that the Aggie team has entered in the past three years, and it has yet to taste defeat.

Saturday night Everts swam in a meet as a member of the Houston Y. M. C. A. team, winning both the 100 and 220 yard dashes.

MEN DUE FOR TRIP

Council to Act

With the conference championship safely stowed away, four members of Coach Anderson's champion team are seeking other worlds to conquer. Thompson, Farmer, Slocomb, and Floyd are working out daily in preparation for the National Intercollegiate meet, to be held in Chicago early in June. If the Athletic council will allow them to make the long journey, it would not be surprising to see these men make a remarkable showing, if we compare their best performances with those turned in at the meet last year.

In 1928, only three men in the country beat Slocomb's time of 23.6 in the low hurdles; and two of these have finished their collegiate competition, leaving only Cooper of Michigan, who has made 23.5, to return this year. His time is only one-tenth second better than Slocomb's, and Slocomb made his mark after running the highs. Judging from past performances, the slim sophomore has an excellent chance of placing high in his event.

The javelin throw was won last year with a heave of 216 feet, 7 inches, and only three of the six men placing went over 200 feet. Floyd made a throw of 204 feet, 4 1-2 inches in the conference meet, and this mark would have placed him third last year. However, he has been able to do his best under strong competition, and it is quite possible that he might better his mark at Chicago.

Although his time is not as good as that turned in at the National meet last year, Thompson would have an excellent chance to place. Brunson of Rice placed third last year, and Thompson took his measure at the Conference meet this year. Thompson paced the half mile in 2:00.2 on a muddy track, and with a stiff wind blowing. He is a great fighter, and should be able to make a good showing.

Farmer set a new record in the

Wendt and Mills Hurl for Ags.

3-1 AND 5-2

The Aggies dropped two hard fought battles to the Longhorns on Monday and Tuesday, the first game by a 3-1 score, and the second, 5-2. This gives Texas the Conference championship, as they hold a half game lead over Baylor. The young Aggie team acquitted themselves nobly in the series, as "Uncle Billy" Disch has a great ball club.

Prospects for next year are exceedingly bright, as only Austin Bray will graduate, leaving almost the entire team intact; and they will be ably re-enforced by several members of this year's "Fish" squad.

First Game

Pete Wendt and Johnny Railton hooked up in a hurlers' duel in the first tilt, and each pitched a wonderful game; and in ordinary circumstances, either performance would have been good enough to win. But the breaks were on the side of the slim southpaw from Texas, and Pete lost a heart-breaking contest. The Aggies fought a hard battle all the way, and but for a questionable decision in the ninth round, might have won, when the ump declared Harris out when he attempted to score on Pete's hit through second base. Incidentally, Pete was doing much to win his own game, as he collected two hits during the afternoon. Brooks Conover demonstrated that lefthanders hold no terror for him, by getting two licks. Pampell made a sensational play in the fifth when he grabbed a hard hit grounder, tagged, who was on base, and then threw to first. Besides his great pitching and timely hitting, Wendt fielded his position perfectly, getting seven assists.

For the Longhorns, Higgins and Hopkins starred to help Railton. Higgins got three of the seven Texas hits, while the Longhorn captain played his position flawlessly, robbing several Aggies of seeming hits.
