

DORMITORIES ASSIGNED TO MILITARY UNITS

One of the first things an old student asks when he arrives and meets his 'rummit' who has been sweating all through summer school is, "Where are we staying?" A high official has divulged the following details pertaining to the distribution of quarters and tactical officers.

The first battalion of infantry will occupy Mitchell Hall and the larger part of Leggett. Lt. E. T. McCullough will be in charge.

The second battalion of infantry will be assigned to Milner, Austin, and the remaining part of Leggett, being supervised by Capt. Lyons.

The first battalion of field artillery will be quartered in Bizzell and Goodwin Halls with Lt. J. V. Carroll at its head, while the second battalion will occupy Foster and Ross Halls with Capt. T. C. Harry as tactical officer.

Capt. I. G. Walker, Jr., will lead the cavalry which will stay in Puryear and Law Halls.

With the band staying in Gathright under the supervision of Capt. Lyons, the corps of engineers and the signal corps will occupy the shacks with Capt. L. A. Pick as their tactical officer.

than little Jackie Saunders and Freddie Buford.

With such a fine staff assisting and the corps to back him up, Hop will greatly help to make this the finest year in the history of the college.

"Y" BUILDING REMODELED

During the summer an extensive program of improvements has been carried on the Y. M. C. A. building and equipment. Seven new rooms; four single and three double, have been completed. The senior clubroom has been discontinued and the senior tables moved to the basement.

The house itself has been re-calculated and re-painted from top to bottom. All over-stuffed furniture

in the lobby will be re-covered. The barber shop and Casey's have been remodeled. A combination phonograph and radio will be placed in the lobby for the entertainment of loungers. Individual offices have been under construction for Mr. Cashion and Mr. Gay. A refrigerating system will be installed by the fountain on the front steps, and cold water will be available at all times.

A free telephone will be placed adjoining the booth in the lobby for the use of students and faculty.

The "Y" plans to bring a considerable number of first-run pictures to the Assembly Hall this year, including Metro-Goldwyn-Mayer, United Artists, Paramount, Fox, and Pathe. A new and much more satisfactory music machine for the shows will be installed.
