### W. F. GIBBS & SON

And say Bo, didja find your  
 Name right out there where  
 Everyone on the campus could see it,  
 And, Bo, did it say that you were  
 Promoted to a first lieutenant  
 And second in command in  
 Your Company, and then that  
 Evening at retreat did you step  
 Out with all four of your buttons on  
 And did you have your boots thrice  
 Shined, and when you got down  
 To the corner where the campus  
 And Bryan folks were looking on,  
 Did your chesk swell out big  
 And proud and then  
 Bo, did you see that blonde bit  
 Of sugar right there in front  
 And did she wave at you  
 Just as big as could be and  
 Did you blush like a big pink rose  
 And get so excited that you  
 Started to wave back?  
 And Bo, did you get your feet  
 Tangled and fall down right  
 In front of her?

Say Bo, didja? Well  
 BUFLA MARSHALL did.  
 DID YOU KNOW THAT  
 Mr. S. G. Bailey, secretary to the president, during his sixteen years of service here, has loaned students of the College over 1,300,000 dollars?  
 The Student Welfare Committee was responsible for the removal of the onions from the gravy at the Mess Hall?  
 Ralph Howe is strongly contemplating taking up lessons on the guitar?  
 Every time the Band plays for us at a meal formation there are over 90,000 "foul" notes played?  
 College Station uses more electricity than the whole city of Bryan?  
 "Stormy" Johnston, Billie Coleman and W. E. Collins recently joined the "Prince of Wales Club"?  
 Each week approximately 28,000 letters are mailed through the Post Office at College Station. This includes over 300 "Specials."  
 Ripley, editor of "Believe it or Not," is called a liar more than any other one person in the World and that the writer of this column will soon be running him a close second?  
 According to Trainer Bert Munnhall, Carnegie Tech will have one pound less than a ton of backfield material this year.
