At present Texas and T. C. U. are the favorites to cop the conference title. As yet the Steers have not been scored upon, running up a total of 140 points while the Frogs have run up a total of 144 points to 7 for their opponents, the Aggies being the only eleven to score on them. The Mustangs in defeating Ole, Miss. 51-0 scored more points than they have the whole season.

In a way they did justice to all its fellow members in tying the Army last year and doing the same thing to Nebraska this year. Recently a Longhorn wrote to Grantland Rice and asked for recognition. The eminent sports writer took enough space to say: "It might be recalled in this connection that S. M. U., after almost nailing the Army last October, finished only third in the Southwest. And this fall with a green outfit,

The mother is doing well, according to reports which have been received from Laredo, for which place Richter left Saturday after the game.

The fastest seven of these will be the team to represent Aggieland against Texas on Friday, November 8th. Captain Shoemaker expressed himself as being well pleased with the time turned in last Saturday, but expects it to be bettered in the future.
