

**PORKERS NOSE AGGIES
OUT OF CONFERENCE RACE**

Aggie hopes for a conference championship went sky-high Saturday at Kyle Field when the husky Arkansas Razorbacks romped on the Farmers by a 14-13 score. Despite the wet field, the Aggies passing attack was rather successful. A beautiful 40 yard pass to Alsabrook from the hands of Tommie Mills, put the ball in position for the first touchdown. A short pass to Conover pushed the ball a bit further and then one of Mills heaves fell in Tracy's

hands across the Porker's goal line for the initial counter. Mills ran around right end for the extra point.

This touchdown incited the Razorbacks to bigger and better things. With Miller on the flinging end of the ball and the lanky Schoonover on the receiving, the Hogs went down the field on a series of brilliant passes. Uptmoor, gigantic full-back and the mainstay of the visiting backfield took the ball over from the Aggie 10-yard line on a series of line bucks. Schoonover converted. Later brilliant runs by Kyle and Uptmoor placed the ball in po-

sition for Miller to hurl himself over the Aggie forward wall. Schoonover again kicked a perfect goal for the extra point.

This 7-point Porker lead brought forth all of Mills wrath and a long pass to Alsabrook placed the ball on the Porker ten-yard line, and it was advanced to the three-yard line on a penalty of unnecessary roughness. Mills plunged over for the second touchdown. Schoonover hurled his form in front of Varnell's attempt for extra point and the score stood 14-13 for the Porkers. The Aggies threatened in the last quarter on some brilliant runs by Mills, but passes failed in the shadow of the goal.

Bus Moore, substituting for Van Zandt, again gave indication of his power when he blocked Millers punt. Alsabrook recovered and gave the Aggies another chance to score but a pass over the goal line let the Aggies fade from the picture as Southwestern Conference title contenders.

AGGIE-PORKER GAME

(Continued from Page 6)

ned Frog clash, are expected to be in excellent shape for their game Saturday.

McFadden and Ewell will probably be out of the lineup until the Mustang game when it is believed that the three weeks rest they will have enjoyed will have them ready to resume their duties. McFadden is nursing two broken bones in his hand and Ewell is out with an injured collar bone.

**MANY SCORING THREATS
IN CONFERENCE**

This season is marked by an unusually large number of fleet backs who persist in carrying the ball across the final stripe for counters. At present the Baylor and T. C. U. backs are hogging the show, but are slowly being closed in on by Arkansas and S. M. U. ball toters. The Aggies have only one man in the list of high scorers, Tommie Mills being Aggie's contribution. The Aggie backs and ends have been dividing turns in making the counters and consequently they do not have such impressive totals. Also the brand of competition has been much better, T. C. U. and Baylor playing much inferior teams. The standing of the leaders:

	T.	D.	Pts.	Tot.
McElreath, Baylor	8	8	56	
Wilson, Baylor	8	1	49	
Leland, T. C. U.	7	0	42	
Shelley, Texas	5	6	36	
Green, T. C. U.	4	11	35	
Schoonover, Arkansas	4	4	28	
Potter, Baylor	4	3	27	
Mills, Aggies	4	1	25	
Miller, Arkansas	4	0	24	
Mason, S. M. U.	3	5	23	
Kattman, S. M. U.	3	3	21	
Meadows, Texas	3	1	19	

**Tobacco's
at its best . . . in
a pipe**

MEN'S preference for a man's smoke—the pipe—is plenty positive. But do you know why? We'll tell you.

First, pipe tobacco's *different*—for instance, Edgeworth. Second, tobacco smolders *as it should* in a pipe. And third, these mean *you* get more satisfaction—greater relish of the good old savory burley, soothing fullness of rich smoke.

There's even a fourth reason: you like good company. The pipe-smoking brotherhood is that.

Tobacco's at its best in a pipe. It gets a chance to be itself there—to loosen up as it comes to life, to expand and take in air and *glow*. Only the choicest leaves get that chance, moreover, for pipes tell the truth about tobacco. Choice leaves, choice blends, and *mighty careful handling*. Edgeworth comes up through eleven distinct processes before we're willing to pass it on to you.

If you keep on missing all this, that's your fault—for we're waiting to send you your first pipeful of Edgeworth. See the coupon? Fill it out, get a *good* pipe and the postman will bring you a neat little glad-to-meet-you packet of good old Edgeworth.

Edgeworth is a careful blend of *good* tobaccos—selected especially for pipe-smoking. Its quality and flavor *never change*. Buy it anywhere—"Ready Rubbed" and "Plug Slice"—15¢ pocket package to pound humidior tin.
