"Sully" threw the gates of Kyle Field open to every school boy and girl of Brazos county for the Aggie-Lumberjack game last Saturday. Many took advantage of the offer. It was notice dthat Tulane admits school children free and to show their appreciation the youngsters have an orginized yelling squad which would be heard above the noise made by the Tulane students waving cow bells.

Mr. Sullivan got a chance to try out the only football field cover in the South last Saturday. It kept the ground dry and as a result the game did not have to be played on a slippery, muddy field.

when Shear, wingman, raced twenty yards with a fumble for the second score. A pass from Austin to Shear for the extra point failed. One of the features of the game was the brilliant punting by Weston, diminutive alternate quarterback. He reeled off one that was good for 65 yards, while his four boots averaged 47 yards.

Coach Higginbotham has several Fish that are likely looking varsity material. Breedlove, a wiry guard, is outstanding. Austin, Woodland and Zumwalt all look like the exact stuff in the backfield. Hig has three good ends in Wright, Malone and Shear. They are good pass snatchers and fine defensive men. Walker looks plenty good at tackle.

Yep, there'll be some sophomores fighting for positions on the varsity in 1930.

"Don't be like that"

WHAT'S the use of getting the good suit pressed for a date if the rain is going to make it look like a wet sack before you arrive? None whatever. But if you put on your Fish Brand Slicker your clothes look precisely as well when you get there as when you start.

A real Fish Brand Slicker is good-looking too. It has set the campus style for years. And it will stand any amount of wear and rough usage. Look for the Fish Brand label. A. J. Tower Company, Boston, Massachusetts.

AGGIES SMOTHER LUMBERJACKS

After playing like a second rate high school disorganization and being held to one touchdown the first half, Coach Matty Bell's charges began functioning properly and seven touchdowns were scored in rapid succession, making the final count 54-0.

Coach Bell sent every man on the squad into the game with the exception of Conover, Ewell, McFadden, Bible and Floyd, who were all on the sick list Saturday. Conover and Floyd will be ready for the Mustangs, but it is doubtful if McFadden's hand will be sufficiently healed to risk it in the S. M. U. encounter.

Although the Aggie line held the Lumberjacks to 25 yards gained and one first down during the whole game, it let opposing linemen sift through when Aggie backs were passing; and during the first half could not open holes for the ball toters to push across the goal line when they were in scoring distance. The latter half was a complete reversal of the play demonstrated in the first half.

Although there were few thrillers in the game, Dorsey accounted for two of them when he nabbed Mills 25-yard pass and raced 25 more for

his first touchdown. Later he traveled through the line 25 yards for his second counter. Rees' 30-yard run which put the ball on the Aggie 1-yard line was also a thriller as were many of Zarafonets' drives. The brilliant work of "Jelly" Woodman, especially his long runs in returning kickoffs, was most gratifying. He returned two for 30 yards each and clipped off 10 yards for a touchdown. His ability in adding the extra point was also outstanding. The Aggies made a total of 702 yards from scrimmage and 37 first downs.

Much credit must be given Tom Mills for the showing of the team against the weak Lumberjack team, for not until his entrance into the game was any life or desire to score was shown. It seemed that the starting eleven thought they could walk up to their opponents and they would just fall over, but 30 minutes of play proved different; these future Teachers showed plenty fight. Smelly, Gillespie and Sutton were the high lights for the visitors.

Brown, Magrill and Richter were in every play for the Aggies while they were in the game.

Score by periods:
 Aggies0 7 20 27-54
 Teachers0 0 0 0-0

Passes completed: Aggies 4 for 115 yards. Teachers 1 for 12 yards.
 Passes incomplete: Aggies 10; Teachers 5.

MILLS NOW FIFTH AMONG HIGH SCORERS

By virtue of his scoring two touchdowns in Saturday's game, Captain Mills advanced three places nearer the top of the select circle of ball toters. McElreath and Wilson of Baylor continue to hold the lead but are gradually slipping it to Cy Leland, flashy back of the Frog aggregation. The standing of the leaders followss:

	T.D	Pts.	Tot.
McElreath, Baylor	9	9	63
Wilson, Baylor	10	1	61
Leland, T. C. U.	10	0	60
Miller, Arkansas	7	0	42
Mills, Aggies	6	1	37
Shelley, Texas	5	6	36
Green, T. C. U.	4	11	35
Schoonover, Arkansas	4	6	30
Potter, Baylor	4	4	28
Mason, S. M. U.	3	5	23

Coach Keene of Williamette is undecided whether he is coaching a football team or a school for matrimony. 7 of his first string men are married.

Delicious and Refreshing

PAUSE AND REFRESH YOURSELF

IT WON'T BE LONG NOW. AND THE PAUSE THAT'S COMING MAY NOT BE SO REFRESHING AS SOME OTHERS WE KNOW OF.

The moral is to avoid situations where it is impossible to pause and refresh yourself—because whenever you can't is when you most wish you could. Fortunately, in normal affairs there's always a soda fountain or refreshment stand around the corner from anywhere with plenty of ice-cold Coca-Cola ready. And every day in the year 8 million people stop a minute, refresh themselves with this pure drink of natural flavors and are off again with the zest of a fresh start.
