**LIVESTOCK TEAM PLACES FOURTH**

The livestock judging team from Texas A. and M. placed fourth in the International Livestock Exposition at Chicago, according to reports received here by D. W. Williams, head of the department of animal husbandry. This was the highest ranking team in three years and a splendid showing considering that George Love was forced to return to his home in Del Rio on account of illness before the contest.

Purdue University, Ohio State and Oklahoma A. and M. won the first three places by a narrow margin. A special feature of the program was the Percheron horse judging contest in which the Texas team won first place, and a large loving cup which was given by the Percheron breeders association.
