

### DID YOU KNOW

The College made loans at the rate of over \$1.90 a second during the past registration?

The reason the "Paddle-Feet" as a whole, are so dumb is because when the Lord was passing out brains, they thought He said rain, so they ran under a shed and did not get any?

The first wild-cat seen in Scotland within the past fifty years was caught a few weeks ago?

If we do not quit griping at the quantity of the food at the Mess Hall we will get quantity but very poor QUALITY?

There have been fewer students

in the hospital this year than in many, many years previous? The proper balance of foods and the increase in quality is largely responsible for this.

The compound known as "Copper-

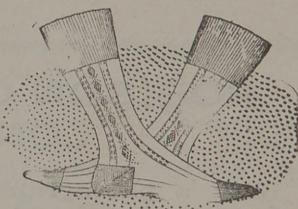

as" does not have any copper in it whatsoever, it is Ferrous Sulfate?

During a recent month there were 90,000,000 pounds of sugar stored in one of the store rooms of a large

sugar corporation in Central America?

That Major Sloan is trying to get the "Wagon Soldiers" in the cadet corps?
