ENGINEERING DAY SAT.

A. & M. TO BE HOST TO S. W. C.

ANNUAL MEET TO BE HELD A. & M. STADIUM MAY 10

For First Time in Seven Years Aggies to be Hosts to Southwestern Conference Track Meet

JAMES SULLIVAN

For the first time in seven years Aggieland will play the role of host to six members of the Southwestern Conference who will come to Kyle Field to participate in what promises to be the most interesting and record breaking Conference Track and Field Meet that has ever been held in the South.

Not many sport followers have the opportunity of seeing just one track star that has gained national recognition, but those that attend the preliminaries and finals Friday and Saturday will have the opportunity of seeing at least eight track and field stars that have gained National recognition.

Heading the list of nationally recognized stars will be Claude Bracey, the Rice Owl flash; Cy Leland, the Flying Frog, and Red Oliver, another fast moving Frog, whose sensational records in the 100 and 220- (Continued on Page 8)

Banquets Given to Two Upper Classes

Walton, McQuillen, Newton, Stanley, Nelson Speakers.

The Y. M. C. A. honored the Senior and Junior classes with the last of a series of banquets, which have been given throughout the year, last Tuesday and Thursday nights.

R. W. Howe, president of the Senior Class, presided as toastmaster and introduced the speakers for the evening. Dr. Walton, E. E. McQuillen, John Newton, class of 1912, executive of the Magnolia refinery at Beaumont, and a few members of the class gave short talks.

H. W. Stanley, assistant manager of the East Texas Chamber of Commerce, was the principal speaker for the junior banquet, with F. S. Buford, president, as toastmaster. College problems were discussed by Colonel C. J. Nelson and Dr. T. O. Walton.

Cattlemen's Ball To be Held May 16

Dance to be Staged This Year at Bryan Country Club.

The Cattlements Ball, annual dance of the Saddle and Sirloin Club, Friday night, May 16, has been announced by Ralph Howe, president of the club. The affair, expected to be the greatest ever conducted by the club, will be staged at the Bryan Country Club with music by the Aggieland.

Anticipating the size of the event, the president appointed an arrangement committee with George Love, Del Rio, chairman; a decorative committee with Norman Schuessler, Llano, chairman; a music committee with Jack Allison, San Angelo, chairman; and a floor committee with R. H. Boethel, Hallettsville, chairman. Tentative plans indicate that the dance will be unusually large and peppy judging from the amount of time the committee is spending towards making it a success.

DEBATERS TO MEET C. I. A. THURSDAY

All Girls' Team From Denton Here For Debate Tomorrow.

A. and M. debating team, composed of W. G. Carnahan, Center, and G. H. Norman, Kaufman, will meet the debaters of the College of Industrial Arts, Thursday evening at 8 o'clock in the Physics Lecture room, C. O. Spriggs, coach of the team has announced.

The question for discussion will be: Resolved that installment buying is detrimental to the economic interests of the Nation. It is the first time this year that the A. and M. team has debated on this subject. Last year the (Continued on Page 8)

E. E. DEPARTMENT DISPLAYS ROBOT

Mechanical Man and Talking Pictures Presented Saturday.

Featuring a mechanical man who is guaranteed to outtalk any woman, the exhibits of the Electrical Engineering Department in the Engineering Show Saturday, will comprise a show of the most modern electrical appliances and some mystifying spectacles.

A complete talking picture apparatus, with the operation of the projection machine with sound equipment and the synchronization of the voice and picture, will be operated and explained.

Other demonstrations of interest (Continued on Page 8)

DEPARTMENTS OF ENGINEERING ALL DISPLAY EXHIBITS

Executive Committee Announces Plans in Readiness for Show Heralded by Technoscope.

EDITOR TECHNOSCOPE

With the various engineering departments of the college conducting individual experiments and displays in their respective buildings, the first coordinated Engineering Show will have its formal opening Saturday morning, May 10.

Heretofore each department has presented an annual show of sorts that was without either centralized directorship or union of effort, but it was through the efforts of an executive committee composed of W. F. Deane, Kingsville; L. H. Moon, Troup; M. A. Hartman, Taylor; John Howard, Dallas; and S. L. Mosley, Italy, that a coordinated show will be presented.

J. S. Hoyt, Fort Worth, is the student show manager for the Mechanical Engineering Department; C. McKnight for the Electrical Engineering Department; C. E. Hudson for the Agricultural Engineering Department; F. A. Shepardson for the Civil Engineering Department; A. G. McMahan for the Textile Engineering Department, and R. C. Buchan for the Chemical Engineering Department, which will not have an entry in the show because of lack of (Continued on Page 8)
